DEDICATED TO

Deep appreciation to the stalwart pioneers who were the first to attend Yuma Union High School prompted us to dedicate our 1959 edition of the El Saguaro to the first graduating class, the Class of 1910.

Fifty years has seen YUHS grow from 33 students to almost 2200; and from four faculty members to 93.

El Saguaro, the name of our annual, was decided upon by a vote of the student body. The year-book itself consisted of few pictures and many literary efforts on the part of the students. In this book the history of the class is recorded and from their accounts it can be said that they were truly pioneers.

With little aid and equipment, the determined faculty prepared the seniors to enter the territorial (this was before statehood) University at Tucson. Lack of equipment didn't hinder the progress of the students for they all completed courses in Latin, physics, history, and English, among other things.

THE CLASS OF 1910

No school is complete without athletic teams, and Yuma Union had three of them; a baseball team, a girls' basketball team, a tennis team, and the beginnings of a track team. Yuma opponents were the Grammar School and the Fort Yuma Indians.
One interesting feature of the 1910 El Saguaro was the Senior Horoscope, which featured seniors' opinions and favorite expressions. Some of their slang expressions were "Well, forevermore," "Pshaw," "O, Law," "Bless Patty," and the topper "Oh, go out in the cabbage patch and look natural." Quite different from our expressions of today, aren't they? Credit must be given to Juan Montano and E. B. Lopez for the loan of the 1910 El Saguaro. Mrs. Ruby Adair is responsible for all picture identification.

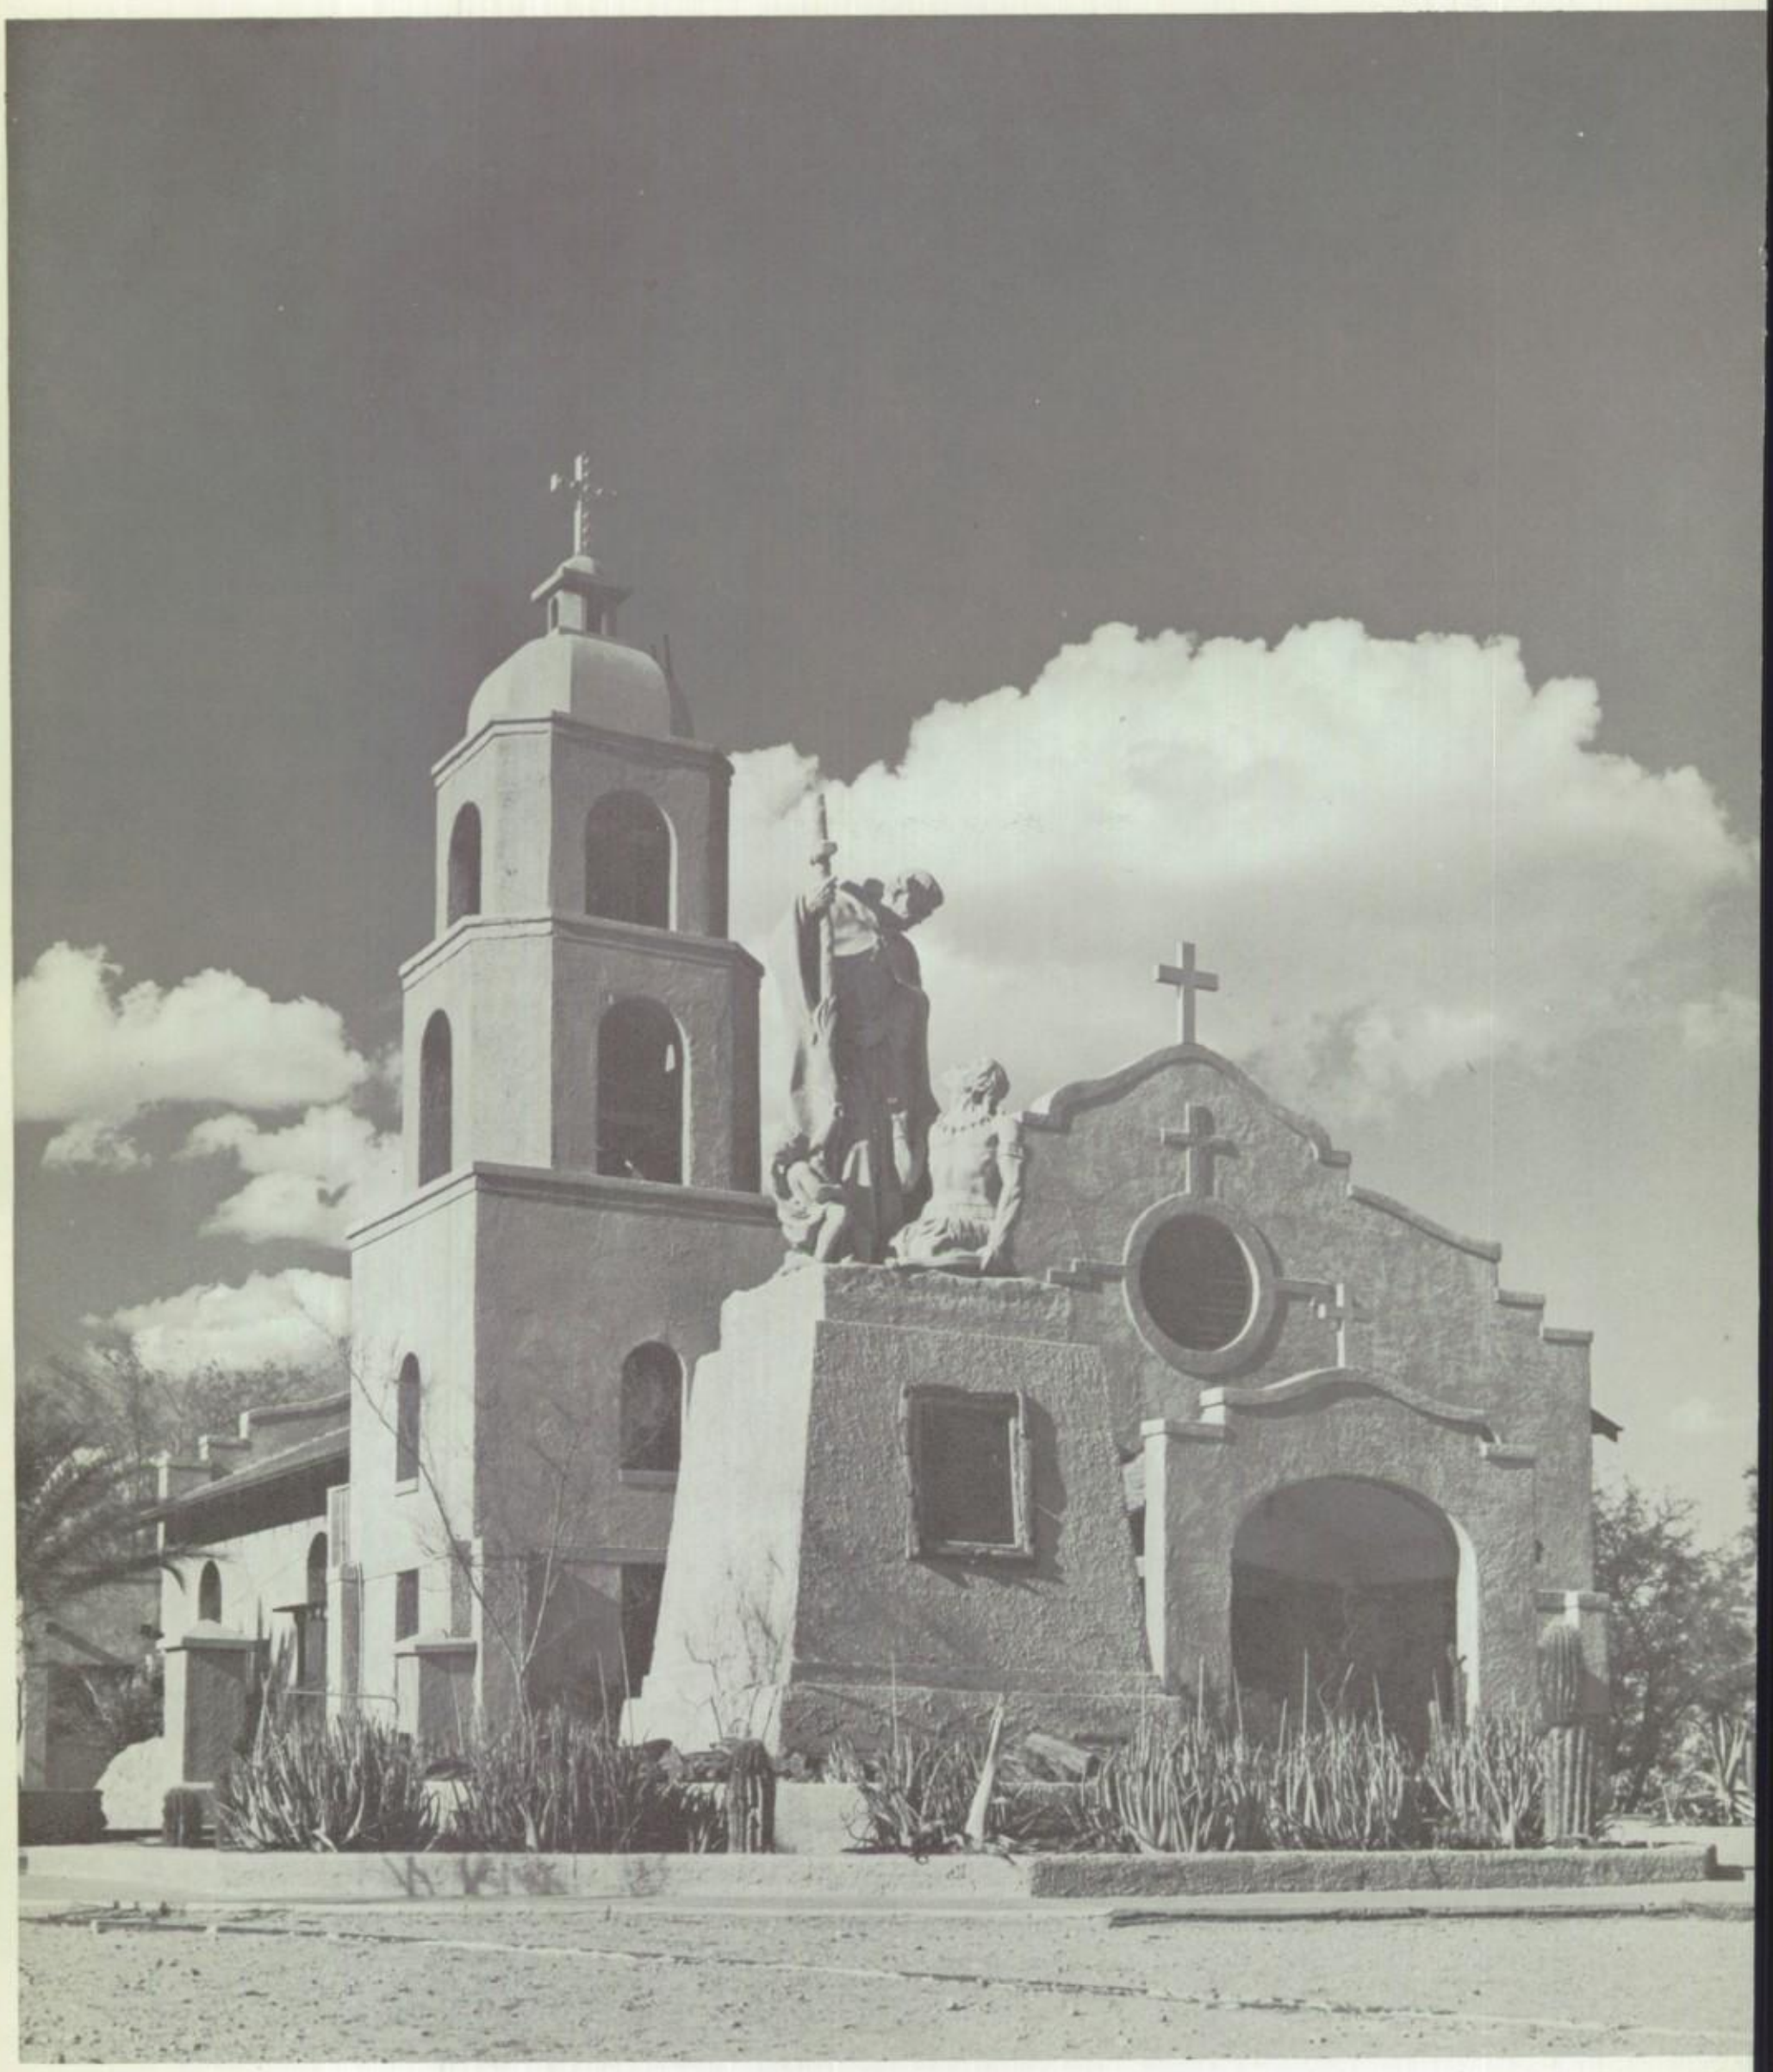
IN MEMORIAM



We dedicate this page to Stephen Britt and "Shorty" Hefner.

The Yuma Union High School population has increased by 10% each year for the past ten years. The total present enrollment is 25% over capacity but a second high school will be completed by September 1959.

The 1958 enrollment, by actual count, numbers 669 freshmen, 631 sophomores, 496 juniors, and 400 seniors, for a total of 2196 students. The curriculum is broken down in four main divisions; College Preparatory, Commercial Preparatory, Vocational Agriculture, and General.

There are 36 clubs that the students are encouraged to join in order to participate in co-curricular activities. Also active are the two student government groups — Student Council and SRAC.

There are 86 members on our faculty this year who have all done a fine job in instructing us in our studies. Our administration is composed of a superintendent, business manager, principal, assistant principal, registrar, and coordinator of guidance and counseling. A faculty steering committee, that is composed of department chairmen, meets regularly with the administration. A classroom teacher association group is also active, and this body may meet with or without a member of the administration being present.

New courses have been added in the past year. Humanities is now offered to junior and senior students on a voluntary basis. Two teachers handle the instruction in two of four areas of study, and they exchange classes at the semester. Scientific Design is now available for junior and senior students who are particularly interested in science. Science Problems is a course now offered to juniors and seniors, who set up problems with the instructor which they will work on throughout the year. Algebra E is also a new course this year. It was set up with the very careful testing and recommendations of certain teachers.

Biology has been divided into two sections this year, Applied Biology and Theory and Principal Biology. French was offered to students on a pilot basis. Home Economics Problems is offered to senior students, college-bound or terminal, who have completed three years of home economics. A course in Advanced Conversational Spanish is also offered this year to the students who are recommended by teachers of Spanish.

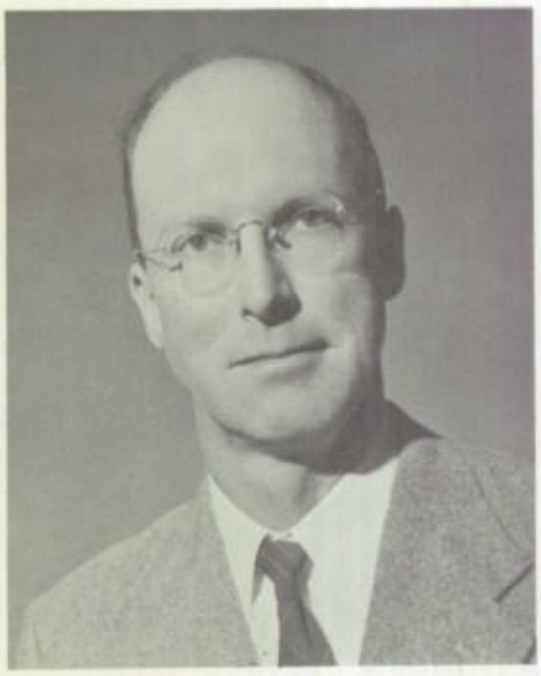
SCHOOL BOARD



JOHN MOODY

S. R. BLAKE, President

HELEN BENNETT

HORACE GRIFFEN

Representing the taxpayers is the main duty of our school board. Recently they have faced many weighty problems concerning next year's two-high school plan. Their planning and foresight brought forth the idea to the public that a new school was necessary.

Every member has many responsibilities. As a unit, the board hires teachers, budgets funds, approves purchases of school equipment, and proposes school bond elections.

All our school improvement can be attributed to the interest of the School Board.

PAT HODGES

This has been a memorable year; the 50th year of operation for the Yuma Union High School District. As we glance back at the very humble beginnings of those classrooms on Main Street and in the cellblocks of the territorial prison, we can say, without fear of contradiction, that we have come a long way.

History books tell us that education-wise our nation has been going through significant changes in the life-time of YUHS, changes that came in the wake of the revolution caused by the Progressive School of Education. Looking back now we can see that some good was accomplished by these extremists who brooked no delay in severing all ties with the European-type schools of that day. A plan more in keeping with our democratic concept of equal education opportunity has slowly evolved.

Education has again been challenged because of the need for specialists in one area of education, science, and math. There are those who would effect another revolution and transform our system back to the school of more than 50 years ago. They will not succeed; but who can deny that some good for education will come of their criticism?

We have made progress this past year. It has been a source of joy to the administration and the Board of Education to observe the admirable spirit and commendable attitudes of the student body, faculty, and classified employees of our district. Academic achievement and co-curricular participation and success by our students achieved a new high. Our faculty has conscientiously expended their energies in the classroom, cooperated continuously in the never ending task of curriculum revision, and in every way merited our gratitude. Our unsung heros, the classified employees, have looked after our physical needs, going about their work cheerfully effecting a job well done.

The school year 1958-59 will long be remembered for its many outstanding successes. It was the initial year of participation in the North Central Association project for superior and talented students, a program that embraces the upper 25% of our student body and offers enriched courses in specified areas of the curriculum.

In general, the curriculum at our school this year ranked with the best and our decision to offer only solid credit has offered wider opportunity for all students to specialize in areas of greatest interest and ability.

Our guidance program has never been better in results achieved and will prove adequate as soon as the current manpower shortage can be resolved in this very necessary phase of our school program.

There are so many other accomplishments: the improved articulation with elementary schools of the union district, as evidenced by new and efficient registration procedures and other programs; the new and necessary high school physical fitness program; the increased cooperation with city and county agencies, such as the recreation and park department; to mention but a few.

Perhaps is it fitting that this 50th year should climax the "one-school era" of the union district. Next year will see us housed in two separate high school plants. In spirit, we shall still be united—working toward the same goals and carrying forward the same will to succeed in our determination to be the "best high school district anywhere."

WARREN R. SIRRINE
YUHS SUPERINTENDENT

Yuma Union couldn't ask for a better, more capable principal than **BILL MANES**!He has done more to promote good will for our school in the short time he has been principal than hardly seems possible.
Besides his many responsibilities as principal, he is the advisor to Student Council. Also a staunch community worker, he is called on many times to represent Y.U.H.S. at various civic activities.

ADMINISTRATION

Business Manager—a job with terrific work and responsibility — ask **CLARENCE HUTCHISON**, our busy Business Manager. Besides handling all financial problems, Mr. Hutchison has to keep track of, and approve, all student and faculty requisitions. We can be thankful that we are fortunate enough to have a business manager as responsible as Mr. Clarence Hutchison.

Vice-Principal **John Martinez** , a newcomer to Criminal Hill, has proved to be a very well-liked, efficient administrator. Even though he is busy with his own duties, he always has time to aid some bewildered student with a pressing problem. Mr. Martinez has become a welcome friend of students of YUHS.

Earl Hackbarth, Director of Guidance, is probably one of the busiest men around our campus. As Director of Guidance, he is in charge of all counseling; this includes vocational guidance and any problems that students might have. Hats off to Mr. Hackbarth for the job he has done in "shaping our minds."

One of the most well-known and well-liked groups on the campus is the Guidance Department. Besides teaching their own classes, they counsel the students of the entire school. They help out in almost every problem that faces the student here at YUHS. They are the ones responsible for registration each year. All the students of Yuma Union will agree that they are a fine group of counselors!

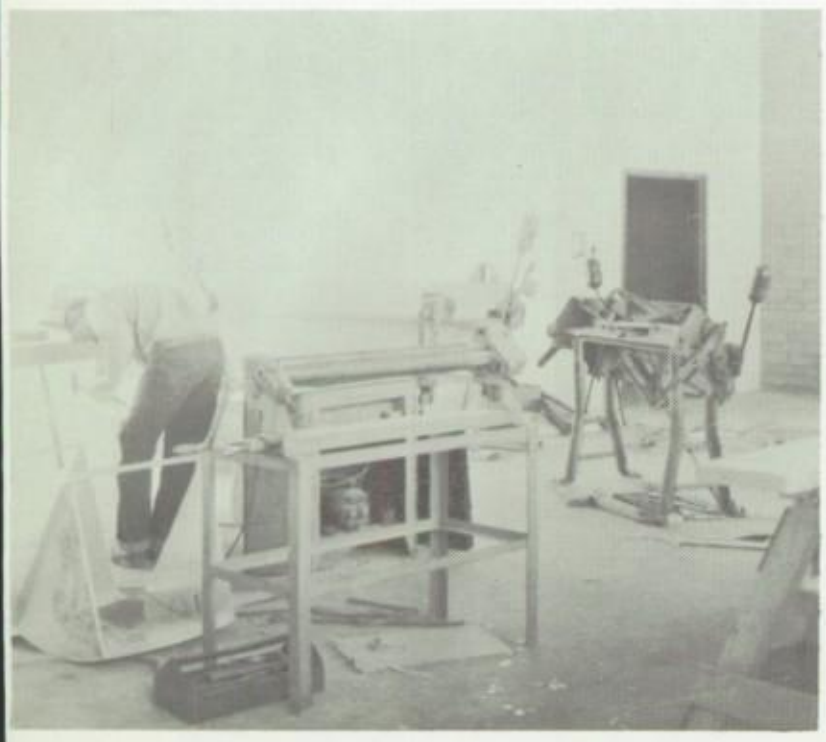
FROM THE PAST



TO THE FUTURE

Mrs Beeler, Bookstore Manager, has done a very good job in the YUHS Bookstore. She had the job of ordering all the school supplies.

ADMINISTRATIVE

Ooh, my aching head! This a statement heard daily by the school nurse, Mrs. Kettunen. She has certainly done an efficient job aiding the students of YUHS.

A very responsible group at YUHS are the bus drivers. The lives of hundreds of students are on the tips of their hands. Without these people the wheels of our school would not turn.

Mrs. Levens, and Mrs. Bowman, of the Registrar's office certainly deserve recommendation for the fine work they have done.

These women have also done equally well in assisting the administration in the main office, the counseling office, and the registrar's office. Left to right; Mrs. Carr, Mrs. Seamans, Mrs. Mooney, Miss Williams, and Mrs. Gordon.

ASSISTANTS

The capable cafeteria staff has been well up to par this year, as they turned out fine food to the hungary students. They were headed this year by Mrs. Rose Lee.

Mrs. Vinson, the one responsible for having the snack-shack kept in good running condition has done a fine job this year.

STUDENT BODY OFFICERS

Tacitus, the old Roman Historian, once said, "Honor and Judgement are the qualities of a good leader."
Good leaders they were, as they represented the student body well in their positions as Y. U. H. S. Student Body Officers. They carried out their responsibilities with precision, perfection, and preciseness.
The school was headed by Rick Starek as President; Leonard Copple as Vice-President; Lenore Ahuero as Secretary, and Claudia Kornegay as Treausurer.

STUDENT COUNCIL

Student Council is a very well-known group around our campus. A group of student government leaders, these 14 boys and girls represent the entire student body. Many problems come up throughout the year, and these students are the ones responsible for ironing them out.
Being a member of Student Council is quite an honor and this year all of the Council members have taken a lot of pride in doing a good job. In proof of this, Yuma was chosen to host the next Student Council Convention for the state.

STUDENT REPRESENTATIVE ADVISORY COUNCIL

Bob Howry, President

SRAC, the vital link between the students and the Student Council, has proved more than once this year that it is indispensable. Besides handling student projects, SRAC planned Y-Day and was responsible for seeing that it was run smoothly. Student Government Day, a new event this year, was sponsored by SRAC. The Second Annual Leadership Workshop, another SRAC project, did all of us a lot of good. SRAC members also sold freshman and sophomore pictures. Here's to SRAC and their able advisors, Mr. Hackbarth and Mr. Shroyer.

The Girls' League Council lead the female population of YUHS in sponsoring many of the activities around the campus. These include Bow and Sucker Day, Twirp Season, The Mother's Day Tea, and the Big-Sister Friendship Program. Profits from the money raising activities helped to to finance their Christmas Program, the sending of gifts to the Arizona Children's Home.

SENIORS

As the graduating class of 1959 walk off Doan Field they will look back with fondness at their senior year. It was a busy one. Their class play "The Great Sebastians" set financial records. There was the hustle of applying for scholarships and planning for the future. Cards and announcements had to be purchased. Then came the long awaited Junior-Senior Prom, Ditch Day, and finally graduation. Many times when the going got rough or classes proved boring they longed for the day when they would walk away with diploma in hand. Now that the time has come they are a little sad at the thought of leaving. Glancing back at the school, their school, the words of the Alma Mater echo through their minds "Yuma High, all hail."

Ruth Conrad, stricken with polio in 1954 and unable to attend school in the regular way, has attended classes each year by means of her "speaker", as it has come to be called. Even though most of us have never seen Ruth, we have come to know her through her cheerful voice. Ruth's ambition and courage have not been wasted, for Ruth has maintained a one average. She has been honored by the Zonta Club as an Honorary Girl of the Month and by the Arizona Republic as a Talented Teenager, and is a member of the National Honor Society. With the help of her mother, her teachers, and all the students who have unselfishly given of their time, Ruth has seen what once was thought to be a dream—her graduation from high school.

Mrs. Leonard, who has personally guided Ruthie through her high school years, consults with Mr. Warren Conrad, Ruthie's English teacher. Other teachers who have helped Ruthie are:

Mr. Solakiewicz	Mrs. Forsman	Mr. Winters
Mr. Hackworth	Mr. Conrad	Mr. Patterson
Mr. Pagano	Miss Foster	Mrs. Middleton
Mrs. Haughtelin	Mrs. Cole	Mr. Zahniser

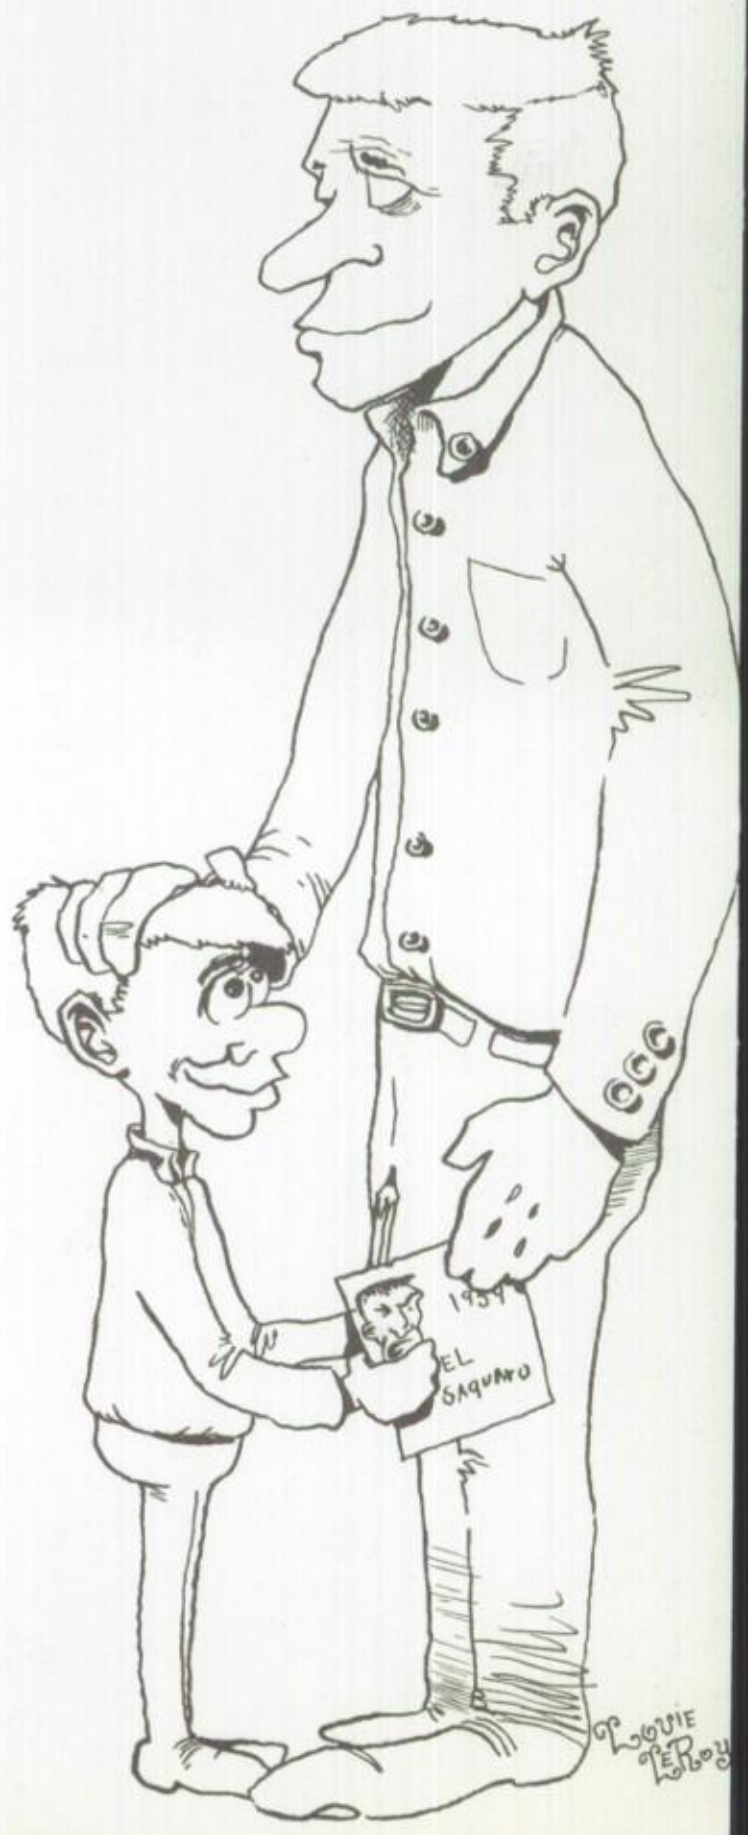
SENIOR SIGNATURES



MARIO

Coming our way from Montevideo, Uruguay, was this year's Foreign Exchange Student, Mario Morgan. It took Mario no time at all to make friends or to get into the swing of activities here in Yuma. Whether you called him "brother" or "pest" or "the friendly Martian," Mario will never be forgotten by those of us who had a chance to know him.

AT HOME

Dear Mathew:
You are quite a
characters. I will miss you
a lot. Best of luck
always. Sincerely
Mario Morgan

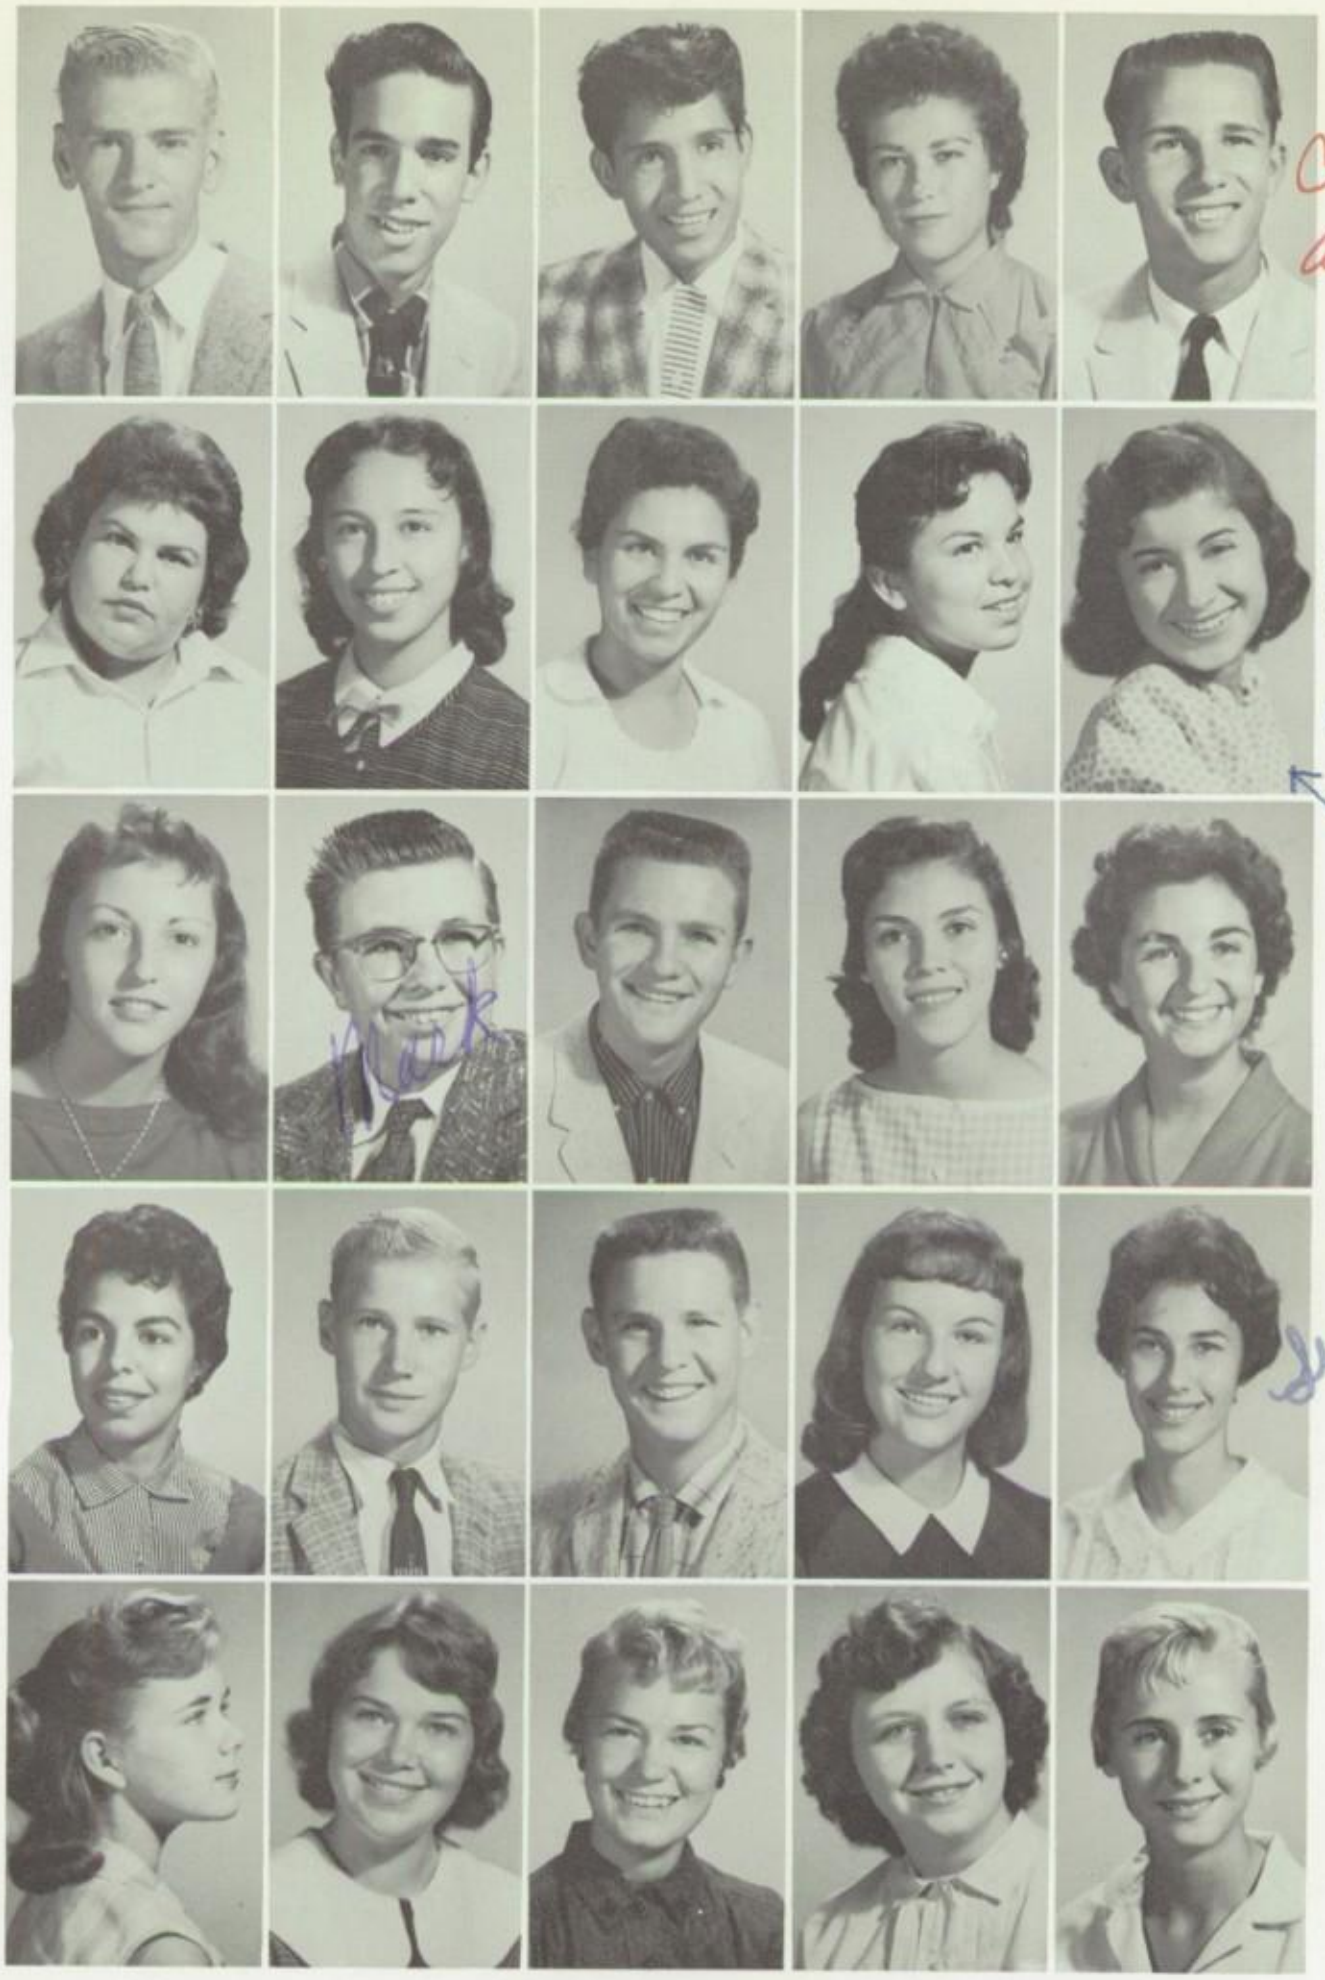
AT PLAY

JUNIORS

Juniors—Upperclassmen!
This is the title well earned by the class of 1960! Next year they will be the top ruling class in the halls of Y.U.H.S. They sponsored the most exciting dance of the year, the Junior - Senior Prom. The success of the dance depended on the success of the play which they presented. The Junior class has been led by such capable leaders as left to right; Ish Castro, Vice-President; Alvin Fletcher, Student Council Representative; Judi Dora, Secretary; and Matthew Wong,Treasurer, and last but not at all least President, Ronnie Ewing.



Chuck Alexander,
Congratulations on becoming a senior, I did it (think you'd make it. Kidding

PORTRAITS

Matthew -
Now is my chance to get even with you
for my last years annual. But seeing as how
you're really made a good showing around here
I'll be real easy-going. Let me warn you to
go soft on the hard liquor it might be wood
alcohol. You have something to look forward
to, if you practice real hard you may be able
to win the state heavyweate title in boxing (cantaloupe
of course). Have fun during the summer -
Dottie Arnold

Matthew
I think I'll appoint a special man to watch over you to see that you work for the Key Club next year. If you swimming with me I'll see to it that you don't come up for a long while.
Robert

Matthew - You are undoubtedly one of the most bright & the most playful persons I know. May the passing of time make you a serious student. "All play & no work makes Matthew a ..." ← (Old Chinese Proverb?)
Good luck and may you always be happy.
Walter Sands

Matthew
Although you raised the curve in Chemistry & still think you're a real nice guy. Stay the same way you are now.
Bill Barrett

Matthew -
You are one of the most intelligent persons I know. It's ridiculous the way you breeze through school. I've enjoyed your company in algebra class & I'll be looking forward to seeing you in Algebra, too, next year.
Pete Krentzer

Its after watching you take class tests on the board - I flunked a lot of them but its been swell having you in my algebra class. Hope you reach any goal you are striving for -
Lots of Luck
Chuck

Lots of luck in your years at Y.U.H.S.

Sophomore class officers are, left to right: Steve Copple, Bill Headstream, Joe Ruiz, and Pat Rooney.

SOPHOMORES

Delighted at finding themselves veterans with one year of high school behind them, the Sophomore class started off the ye with a big bang.

Under the sponsorship of Miss Coon and Mr. Callaway, Sophomores proved themselves quite capable hosts at the succe ful Freshman Handshake Dance.

They were once again "on their toes" when they elected Bill Headstream, President; Joe Ruiz, Vice President; Pat Roon Secretary-Treasurer; and Steve Copple, Student Council Representative.

FRESHMEN

This year's Freshman Class, the largest in the history of Y.U.H.S., has been the backbone of the student body. They didn waste any time making a name for themselves. Their Freshman Talent Show was one of the most entertaining and origin programs of the year. We'll be watching the progress of our "baby" class, and it's certain that they will live up to the goo name they have already made for themselves.

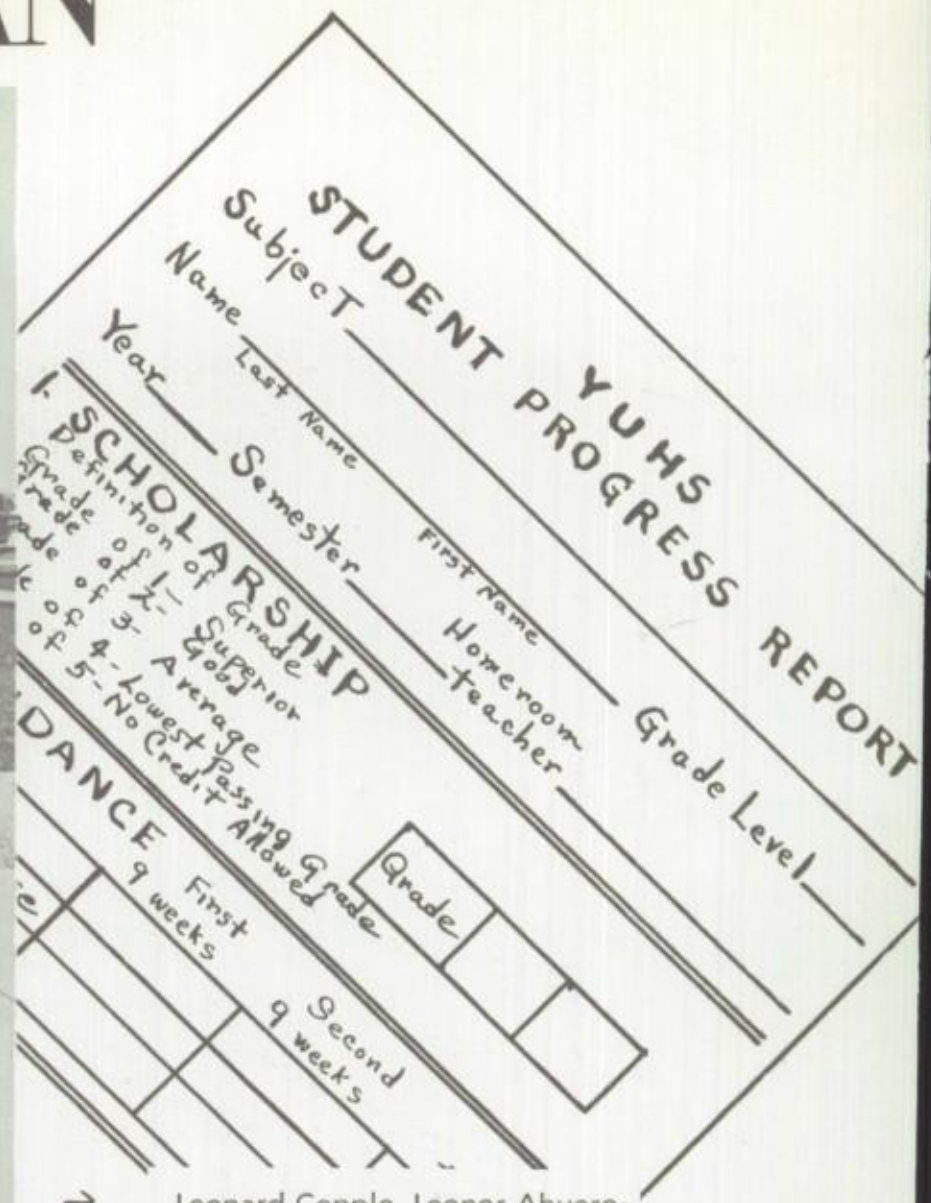
VALEDICTORIAN

Susan Langley, Valedictorian



Leonard Copple, Leonor Ahuero;
Salutatorians

Take a good look at these outstanding students. They have earned the highest honor that can be awarded at Yuma Union High School. Valedictorian Susan Langley, with a 1.000 average, and Salutatorians Leonard Copple and Leonor Ahuero, with a 1.06250 average have certainly labored hard and long during their high school career to maintain such grades. We all know how difficult it is because of our own experiences. These scholars are to be greatly admired for their diligence and perseverance.

SALUTATORIANS

Many educators feel that too little emphasis is placed on scholastic ability in the American high school. They also state that many teenagers are afraid of being social outcasts because they make high grades. This may be true in other places, but it is just the opposite of our attitude here. Most of the students who earn the best grades at YUHS are also active student leaders. We have decided that these Crims who have worked hard and made outstanding records should be recognized. Here they are, the top ten, scholastically, in the Senior Class. Listed beside their name is their four year grade average.

1. Susan Langley	**1.00000**
2. Leonard Copple, Leonor Ahuero	**1.06142**

GIRLS' AND BOYS' STATERS

Chosen by the faculty at the end of their junior year for their outstanding qualities of leadership and character, these representatives to GIRLS' STATE and to BOYS' STATE will never forget the hectic, exciting, week-long session.

Having learned the fundamentals of local, county, and state government, they returned even more qualified to become the future leaders of our nation.

WHO'S WHO

Newly initiated last year, this honor was again bestowed upon twenty-one YUHS students. Selected by SRAC and the faculty on the basis of their leadership experience, these juniors and seniors will appear in the 1959-1960 edition of **Who's Who Among Student Leaders in American High Schools.**

SCIENCE MATH FAIR

This year's Science and Mathematics Fair was acclaimed a huge success. Hundreds of visitors from other schools in the Yuma area, as well as several hundred Crim students, took in the array of interesting and educational exhibits. Several different phases of science were included in the exhibits, many of which were entirely original and were the result of many weeks of hard work.

Sweepstakes winners included: first place, Charles Van Every; second place, Peter Ng; and third place, Vincent Schulte. Other winners were George Eads, fourth; Kirsten Fuller, fifth and Susanne Irwin, sixth. Susanne went on to win second place in her division at the State Science and Math Fair.

Yuma graduates the best,
The nicest students in all the West.
We have a lot of cheerful guys,
Who seem so nice and pleasant and wise.
And then there are ones who are
friendly too,
To little people like me and you.

We also have athletic men,
And peppy gals to help them win.
On our campus we can always find,
The very special personality kind.

EL SAGUARO STAFF

Did the pictures come today? Penny, type this please!! I can't find the layout for the El Saguaro Staff . . . This dialogue is taken directly from a dramatic production which has been running in M-206 all year. The performers were members of the El Saguaro Staff under the direction of Kathy Stratton, Editor; Wanda Bailey, Associate Editor; and Mr. Tom Clarkin, Advisor. The cast has rehearsed many hours in school and out, to bring to the students of YUHS the finest annual in its 50-year history. This will be the last performance that the cast will give in a one-school town.

We have enjoyed presenting this production because it has been a wonderful opportunity for us to learn to work together. We shared many anxious moments and an equal number of happy ones.

We hope that we'll deserve your acclaim and applause for our production of the 1959 El Saguaro.

MARCHING BAND

Intensive drills, marches, and aching feet. These are th ingredients that go into the making of our excellent march ing band. The one hundred new cream-colored uniforms trimmed in gold and blue, were sported quite proudly a the half time performance on Y-Night.

Besides performing at half time during all the footba games, the marching band was selected to play at th Flagstaff College game held here. In order to perfect them selves, every show was filmed and reviewed with the hel of the athletic department.

ORCHESTRA

From last year's twenty-seven to this year's forty, the YUHS ORCHESTRA has undergone a steady increase in their membership. Let's give a big hand to these people, many of who are in Community Orchestra. Their performances, the Christmas Concert and the Operetta, were enjoyed by everyone.

MODERN DANCE BAND

Black and red plaid dinner jackets are the trademarks of the newly formed MODERN DANCE BAND. The group, composed of only advanced musicians, is considered the best high school dance band in the state of Arizona. Their main purpose is playing for training and experience. All the students consider this band the best in the history of the school, and are extremely proud of the young musicians, and their talented leader, Mr. John Dallabetta, a newcomer to Criminal Hill this year. They were asked to take a trip to Flagstaff to play for the college there. This was a great honor and a wonderful experience.

Baby Crims in the vocal department-this is the FRESHMEN GIRLS' A-CAPELLA CHOIR. Although this is their first year they have done an outstanding job under the direction of Mr. John Dallabetta. They performed with other groups at the Christmas Program. Several other appearances were made in the community. Their program for the Music Club was hailed as one of the finest ever presented.

The next rung on the ladder is the GIRLS' CHORUS. Every member has had at least one year of high school music in some form. Under the guidance of Mr. Robert Frazier these sophomore girls presented several assemblies. One was in December with the YUHS Orchestra and the other choirs.

Another music group on our campus is the ADVANCED GIRLS' GLEE, led by Mr. John Weston. Although they are not primarily a performing group, they still made appearances at various school functions. After these programs they were lauded for their fine performance.

The most active, advanced group is the **CONCERT CHOIR** made of juniors and seniors. It is an honor to be a member of this organization. As the Melody Club they presented Gilbert Sullivan's difficult operetta "H.M.S. Pinafore." The operetta

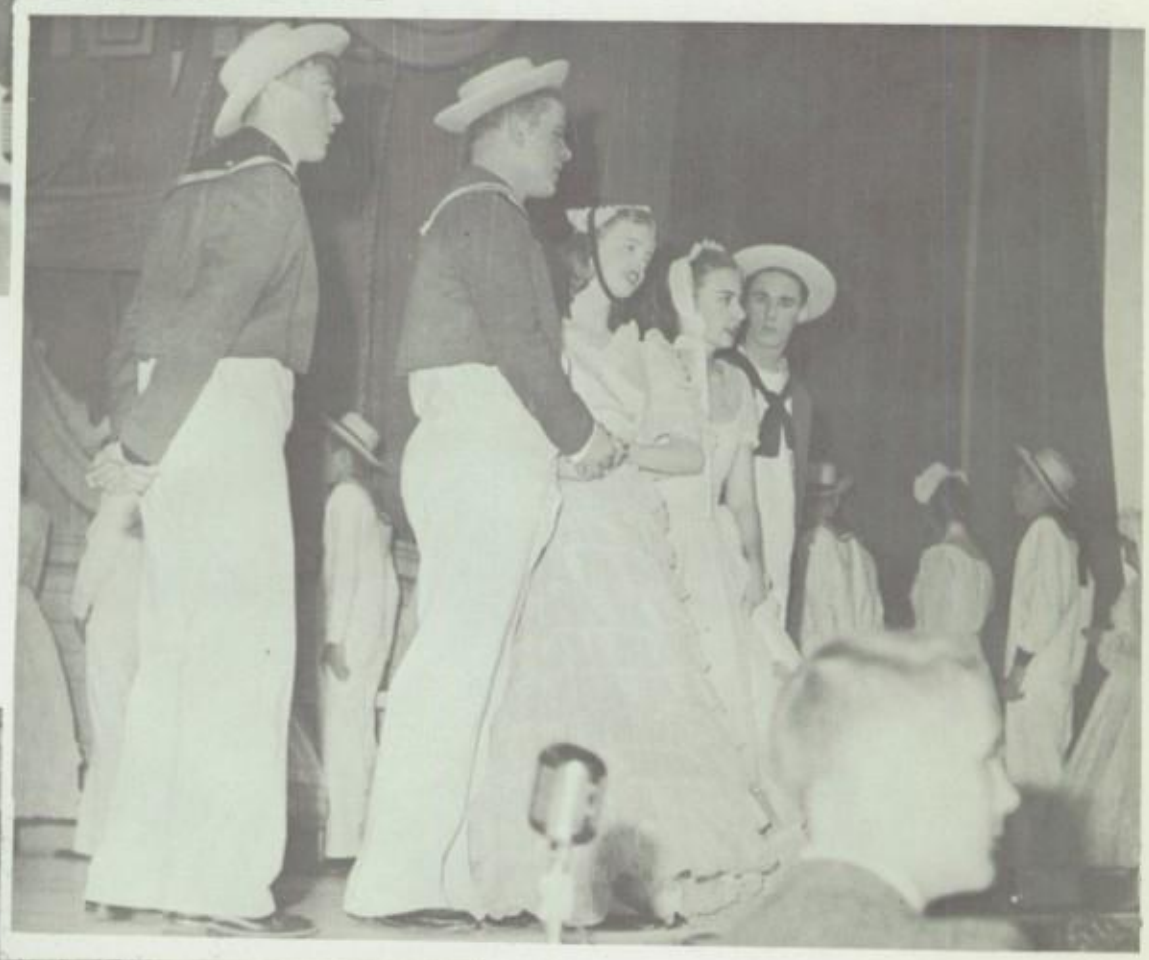
Dick Dead-eye reports the couples' plan to elope to the captain.



Grand finale at last, with each character singing his theme song.

The cast wished the operetta would last longer since they had so much fun.

The plot of Gilbert and Sullivan's "H.M.S. Pinafore" takes place in the 19th century when, in England, class pride was of great importance.
Sir Joseph Porter, the Admiral of the fleet, is in love with the captain's daughter, Josephine, and has the captain's consent to marry her, but Josephine has other plans. She and Ralph Rackstraw, a common seaman aboard her fathers' ship, plan to elope that night.
When her father learns of these plans, he puts Ralph in the ship's dungeon. However, Buttercup, who is in love with the captain, reveals an all-important secret and the day is saved.

"THE GREAT SEBASTIANS"

Senior class play cast.

Mr. John Weston, director.

"The Great Sebastians," this year's senior class production, wasn't an unknown play. It ran on Broadway for some time starring the fabulous team of Lunt and Fontaine. This melodramatic comedy by Howard Lindsay and Russell Crouse takes place in communist ruled Czechoslovakia,, where Essie and Rudi Sebastian are being held against their will. The plot of the play is concerned with their plans for escape.

Essie Sebastian impressed the General's guests with her amazing powers.

The makeup room is always the scene of tension and excitement at the first performance of a play.

"Yes, of course, I can read your inner thoughts, General Zandek," declares Essie Sebastian.

Is this handsome gentleman flashing that huge smile to the audience or his companion?

Due to the early deadline for the annual, these pictures had to be taken at rehearsal, which explains the lack of set and costumes.

Clayton Evans and Rena Leslie rush into the house to escape the rain.

Madge Fuller stares at her idol, actor Clayton Evans, as her mother and father look on.

Busybody Mrs. Douglas informs the Fullers that they have no road leading up to their house.

The Drama Club of YUHS presented "Arsenic and Old Lace" this year. This is the story of two old ladies in Brooklyn who think that by poisoning lonely old men they are contributing to charity. To complicate things, their nephew Jonathan and his traveling companion, Dr. Einstein, are using their house as a hideout from the police, and their other nephew, Teddy, thinks he is Teddy Roosevelt. Teddy buries all the lonely dead men in the Panama Canal, which is really the cellar. This play has an unusually clever ending.

Maphias – this year is the first time I have really gotten to know you. I think you're a lot of fun even if you are a little crazy.
Well I'm finished now so you can have your old annual.

Chosen for their outstanding qualities of scholarship, character, leadership, and service, these **NATIONAL HONOR SOCIETY** members continued to uphold the group's high standards. They promoted scholarship by giving certificates of award to honor-roll underclassmen, and they again held a party at the end of the year for the freshmen. Their two initiations were in keeping with this organization's sense of pride and dignity. They worked especially hard on Y-Day when they co-sponsored the Y-Day Dance. Under the able sponsor, Mrs. Forsman, the officers were: President, Wanda Bailey; Vice-President, Jean Bailey; Secretary, Kirsten Fuller; Treasurer, Eleanor Hoover.

Perhaps one of the most respected and admired clubs on campus is that group of leaders th goes under the name of the **WARDEN'S CLUB.** Keepers of the Crims, they have earned their mer bership by acquiring fourteen All-School Award Points. By selling cokes for the football gam and staging Western Days they earned the money needed to purchase books for needy studen and to finance their spring trip. The sponsors are Mr. Elliot and Mr. Ham. Officers for the ye were: President, Patti Allebrand; Vice-President, Val McCullough; Secretary, Kathy Stratton; a Treasurer, Wanda Bailey.

Those students who have done outstanding work in the field of dramatics are the **NATIONAL THESPIANS.** Pledged to promote interest in drama, their main activities are presenting several one-act plays for noon-time assemblies, for the grammar schools and for the Fine Arts Festival, held in Tucson each year. Yuma's troup has built up an extraordinary reputation of excellence of which we all can be justly proud. Membership comes through helping produce the various school plays as well as acting in them. The sponsor is Mr. Brennan. Officers were: President, Caryl Rambo; Vice-President, Bailey Nichols; Secretary, Marilyn Burtch; and Treasurer, Sharon Secrist.

Made up of those upperclassmen who have displayed superior ability in the field of journalism by working on the school publications is the **QUILL AND SCROLL.** The members of this honor society found time between editions to co-sponsor the Y-Day Dance and also to stage their annual Awards Banquet. Led by the sponsor, Mr. Clarkin, this year's officers were: President, Bob Eger; Vice-President, Mark Arnold; Secretary, Janet Malone; and Treasurer, Jacque Foley.

Masters of the brush and pallet, the members of the **ART CLUB** again sponsored the Beaux Arts Ball. To keep their interest in art high, they took several sketching trips. By earning points, some of the members earned a trip to Phoenix to see Frank Lloyd Wright's Studio. They earned money by selling basketball rooter buttons. The sponsor is Miss Jorgenson. Officers for the year were: President, Barbara Kornfeld; Vice-President, Rosemary Monson; and Secretary, Myrle Hollinger.

Large in membership and well supplied with talent is the **DRAMA CLUB**. These ambitious actors and actresses ge a chance to display their many talents in the Drama Club Play, which they produce each year. From the proceed of this year's play the group bought three anti-pro lights for the auditorium. They also co-sponsored the Drama Thespians Banquet at which the coveted "Oscars" were awarded. Their educational trip for the year was taken t El Centro to view **Macbeth**. Mr. Brennan also sponsors this group. The year's officers were: President, Eleano Hoover; Vice-President, Linden Woods; Secretary, Joyce White; and Treasurer, Sandy Phillips.

Another one of the musical groups on campus is the **CLEFF CLUB**. This organization is made up of the members of the YUHS orchestra. They sponsored a basketball dance and helped the Melody Club present the Christmas program, which was thoroughly enjoyed by the many of us who attended. The sponsor of these fine musicians was Mr. Shoyer. Their officers were: President, Taylor McBride; Vice-President, David Howe; Secretary, Beverly Swabb.

Surely you remember the wonderful musical presentations given by the members of the Concert Choir which composes the **MELODY CLUB**. Naturally, their musical comedy was the year's biggest project, but they also sponsored the Sleighride Serenade and enjoyed the trips they took to the musical festivals. Under the guidence of Mr. Frazier, they enhanced our school's good name by making public apparences at several civic and social affairs. The officers of this year's club were: President, Jim Chiles; Vice-President, Carol Jongeward; Secretary, Tina Olberg.

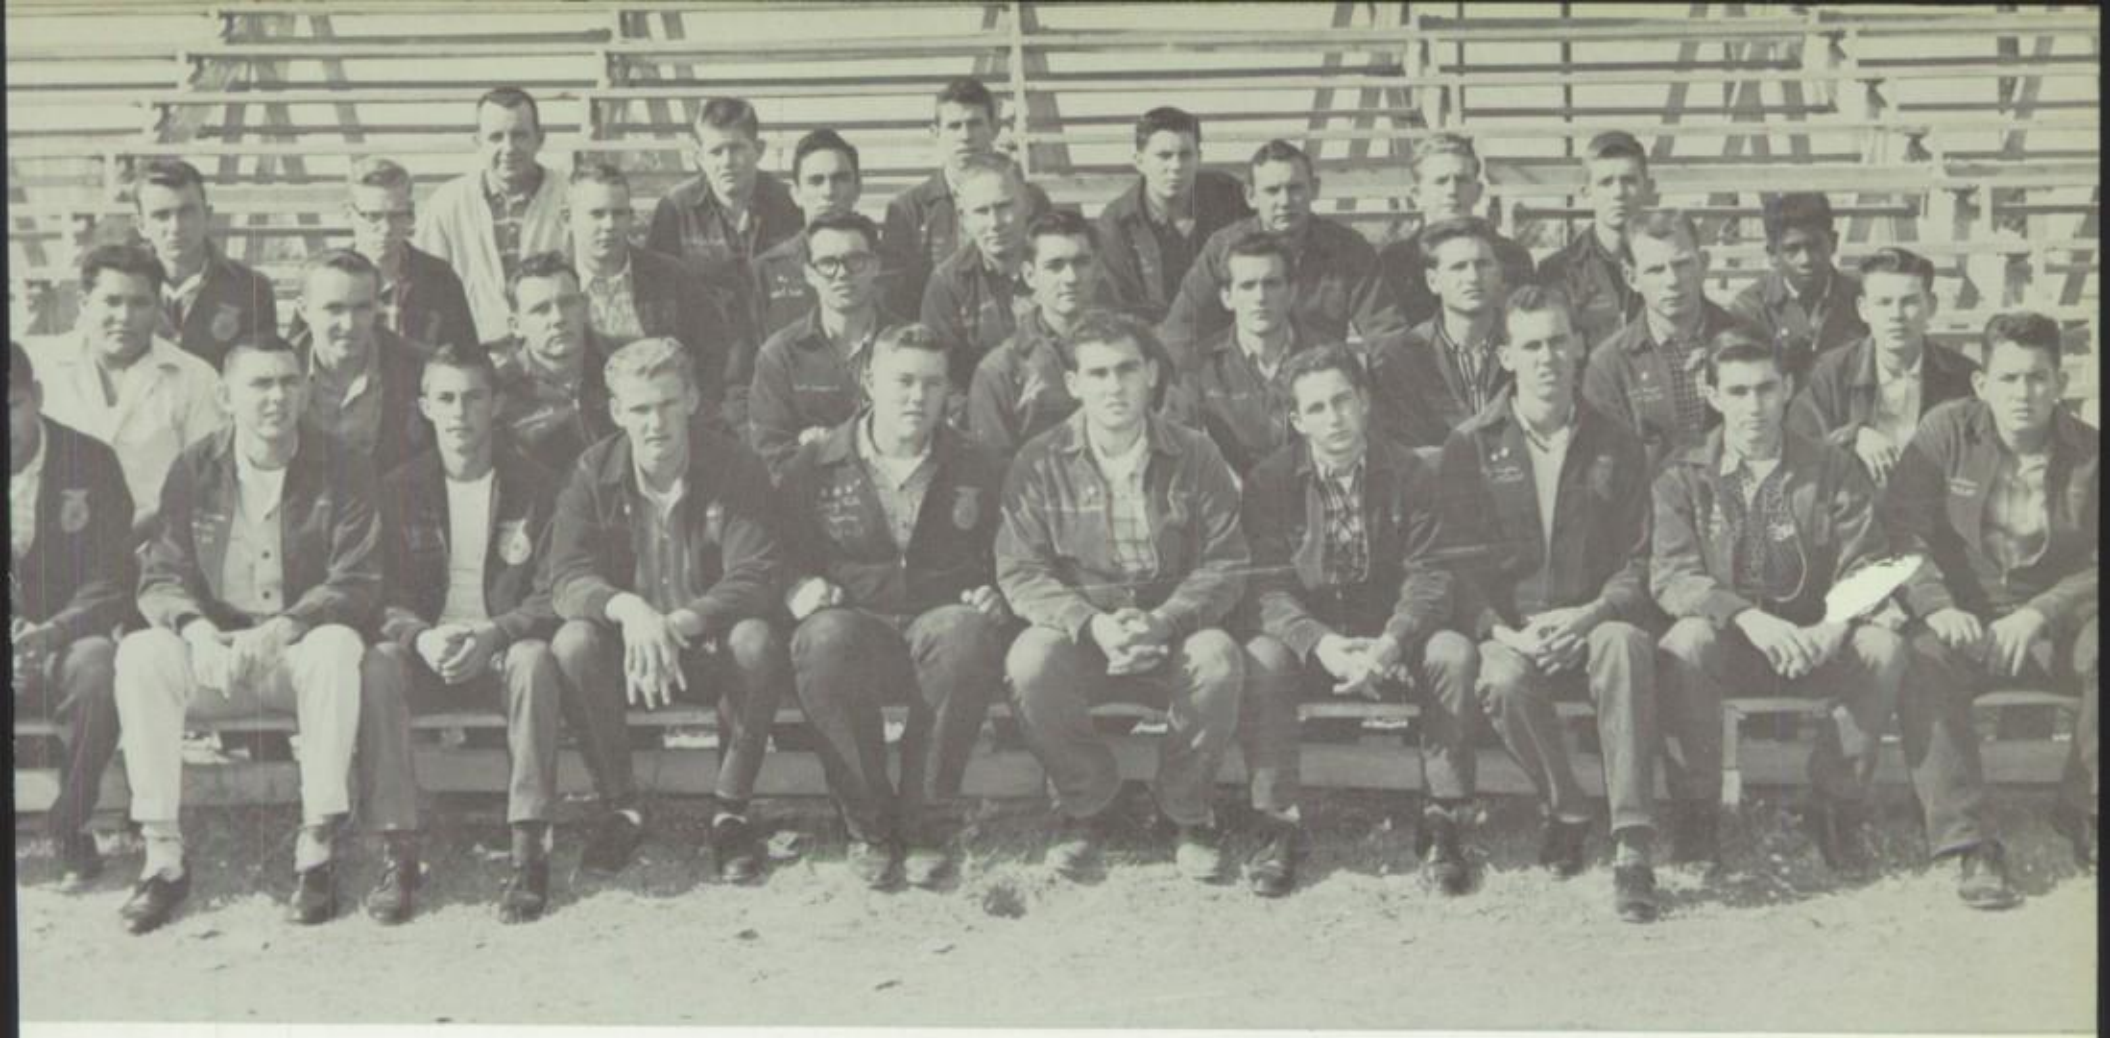
Stimulating interest in scientific subjects is the purpose of the **JUNIOR and SENIOR SCIENCE CLUBS.** Through their projects and experiments outside of class, they gain valuable experience in scientific activities. Their biggest project in terms of labor spent and personal pride gained was the Science and Math Fair. Held in the spring, it drew viewers from the city schools and from throughout the community. The sponsor of the senior group is Mr. Johnston. Officers were: President, Ken Van Horn; Vice-President, Earl Burnett; Secretary, Susan Langley; Treasurer, Charles Van Every. Under the guidence of Mr. Ewing, the sponsor of the junior group, these officers headed that group: President, Phil Hinton; Vice-President, C. J. Baker; Secretary, Jo Ann King.

Star-gazers, perhaps? Heavens no! These ambitious students have joined to form the **ASTRONOMY CLUB**. As their name implies, their main interest lies in the skies, but their aims are very much down to earth, especially in the world of today with all the emphasis on missiles and space travel. They have built their own telescope and entered various exhibits in the Science-Math Fair. Under the guidence of Mr. Taylor, the officers who led this organization were: President, John Linkswiler; Vice-President, Tom Hazen; Secretary, Joyce Moody.

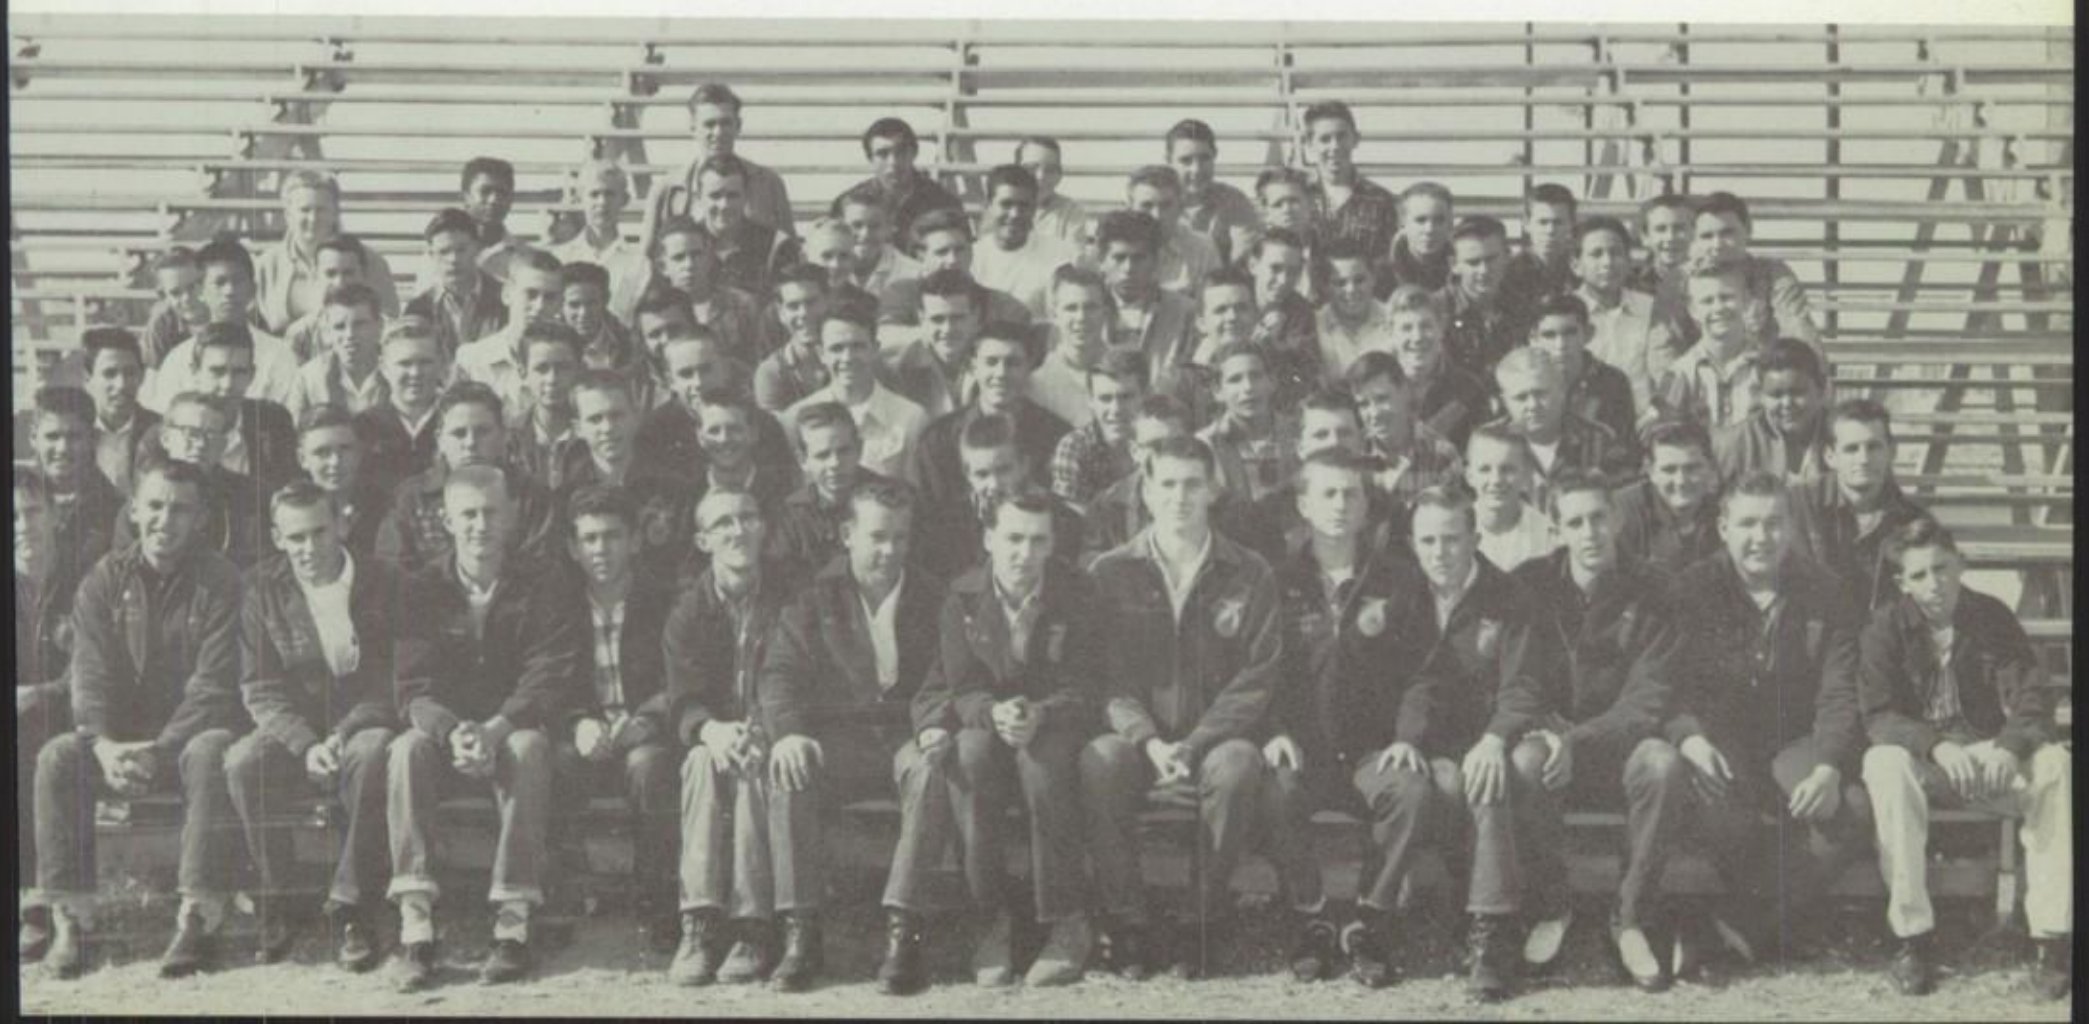
specially important in the world of tomorrow are the mathematicians. Juniors and seniors who have taken algebra and geometry and have a three average make up the **MATH CLUB**. Through this club they are given an opportunity to present and discuss mathematical subjects of interest. Industrious, as well as intelligent, the members enter fascinating projects in the county and school fairs. They also sponsor the annual math contest which is open to all grades. The sponsor is Mr. Hougnon. Officers for the year were: President, Paul Slosser; Vice-President, Carolyn Curtis; Secretary, Hortense Barriga; and Treasurer, Richard Ryan.

Everyone of us owes a vote of thanks to these music masters who are responsible for the fine music which helped keep spirit high at the games this year. Many visitors, as well as local citizens, marveled at the high-stepping profiency, displayed especially well on Band Day. Other activities, such as their Awards Banquet, at which they presented their sweetheart and the winner of the Spark Plug Award, given for exceptional leadership displayed in the band, showed their leadership and spirit. Truly, we can say thanks to the **LYRES CLUB**, under the guidence of Mr. Shoyer. Lyres' officers were; President, Butch Shipp; Vice-President, Tuffy Alvarez; and Secretary, Marcella Corona.

Tempus fugit, amo, amas, amat—these oft-quoted phrases are well known to the members of the **LATIN CLUB**. Having achieved a three average in first-year Latin, they were put through the rigors of initiation, certainly a memorable experience for all who participated. Later in the year, their annual Saturnalia Banquet, which depicts a Roman Christmas celebration, was just as much a success as it could have been, thanks to the able leadership of their sponsor, Miss White, and the officers who were: President, Fred Timm; Vice-President, Jerry Banta; Secretary, Mary Chilton; Treasurer, Tracy Franklin.



Continually upholding their high ideals and promoting interest in farming and agriculture, the Yuma Chapter of the **FUTURE FARMERS OF AMERICA** are always doing something worthwhile. This year's livestock judging team won third place in the competition held at the National Convention. Turkey-shoots, a father-son banquet, fair entries, a float for the Rodeo Parade, election of a sweetheart—these are just a few of the things that have kept them hopping. The sponsors are Mr. Turpin and Mr. Banta. Officers of the senior chapter: President, Bill Vance; Vice-President, Allen Steinbach; Secretary, Earnest Mashler; Treasurer, David Welch. Officers of the Junior chapter: President, James Cox; Vice-President, Jerry Johnson; Secretary, David Mellon; Treasurer, Charlie Chapman.



For every debit there's a credit; Now is the tim for every man to come to the aid of his country- these are all parts of the training which will soo be fond memories for these **COMMERCIAL LEAD ERS**. The traditional Sweetheart Ball, at which the crown their own sweetheart, is enjoyed by th "coupled crims" on campus. Other activities in cluded typing and shorthand contests and a sprin picnic. The sponsors are Miss Rodgers and Mis Vukavich. Officers heading this year's club were President, Elaine Gunter; Vice-President, Ri Welch; Secretary, Brenda Tunnell.

Seriously considering the years to come, these girls realize that the need for nurses will not diminish. By belonging to the **FUTURE NURSES CLUB** they are learning some of the things that they will have to know in order to enter their chosen profession, nursing. Scholarships are offered to the most promising and outstanding students. The sponsor is Mrs. Kettunen. Leading the way were: President, Lynda Christian; Vice-President, Karen Guintini; Secretary, Pat Carrick; and Treasurer, Cathy Fszol.

These poised, charming, personality-filled, well-groomed gals have represented the female population of YUHS well at all times by always putting their best and most attractive foot forward. The **MODELING CLUB** sponsors the Spring Style Show, and they also do modeling for a number of the local stores and participate in various fashion shows. The sponsor of the club is Miss Walker. Officers were: President, Val McCullough; Vice-President, Sylvia Coston; Secretary, Judi Dora; and Treasurer, Joyce White.

One of the most serious problems of today's world is the shortage of teachers. The FUTURE TEACHERS, under the guidence of Miss Foster, hope to help remedy this problem. They look forward to and long remember their biggest project, Visitation Day when they visit the city's grammar schools and get an inside view of this profession by actually helping out with the teaching. Proceeds from selling booster buttons helped finance their convention trip. Officers: President, Janet Malone; Vice-President, Carol Westover; Secretary, Patty Kenny; and Treasurer, Brenda Thomas.

The **GIRL'S ATHLETIC ASSOCIATION**, brought back to life this year, is now accepted as one of the most active clubs on campus. Its purposes are twofold: to encourage good sportsmanship, and to help girls to become better acquainted with the life outdoors. Many girls participated in the noon intramurals. Sadie Hawkins Day and the Award Banquet also contributed to a successful year. Guided by Miss Cook the officers were: President, Patsy Watley; Vice-President, Marcella Corona; Secretary, Gay Nixon; and Treasurer, Linda Humphries.

ANCHOR CLUB, affiliated with the local Pilot Club, is composed of girls devoted to serving their school and community. You may have passed one member as she stood on a corner asking for donations during the Easter Seal Campaign. By sponsoring a basketball dance, they earned money to finance their project of buying glasses for needy students. From the ridiculous iniation to the sunrise breakfast, they experienced a fun-filled, successful year under the guidance of Mrs. Saunders. Officers were: President, Penny Gantt; Vice-President, Elsie Hamon; and Secretary, Armelda Golden.

Possessing outstanding traits of leadership, character, and service, these **KEY CLUB** members are certainly the most enterprising boys on campus. They are the ones who are always walking in front of you during an important play of the game screaming, "Get Your Peanuts!" The proceeds go toward the purchase of glasses and supplies for needy students. The Kiwanis-sponsored club assists their sponsors with Kid's Day and also with the annual Farm-City Banquet. These thirty-five boys have served Yuma and YUHS admirably. Their sponsor is Mr. Close. Officers for the year included: President, Byron Huff; Vice-President, Joe Wolf; Secretary, Ray Szarek; and Treasurer, Matthew Wong.

What is a letterman? He is just a boy who has earned a varsity letter? Of course, he must be an athlete, but, more that, he must be the type to promote good sportsmanship on and off the field, whether winning or loosing. These top-notch Crim males endeavor to uphold all the ideals and traditions of the various team sports. Sponsors of the **LETTERMEN'S CLUB** are coaches Kruger and Speidel. Officers were: President, Gilbert Magdaleno; Vice-President, Alfred Madison; Secretary, Sam Ezell.

Three short rings of the bell is all it takes to set the student body moving for the exits in a hurry. You'd think everyone was headed for a fire, but in this case, it's just the opposite. They are trying to escape from the imaginary flames the **FIRE COMMISSION** has created. It is the Commission's job to plan and execute these fire drills. Thanks, Fire Commission, for keeping us alert and on our toes when there is a threat of danger. Their sponsor is Mr. Martinez. Officers include: President, John Moody; Vice-President, Earl Burnett; Secretary, Karen Cunningham.

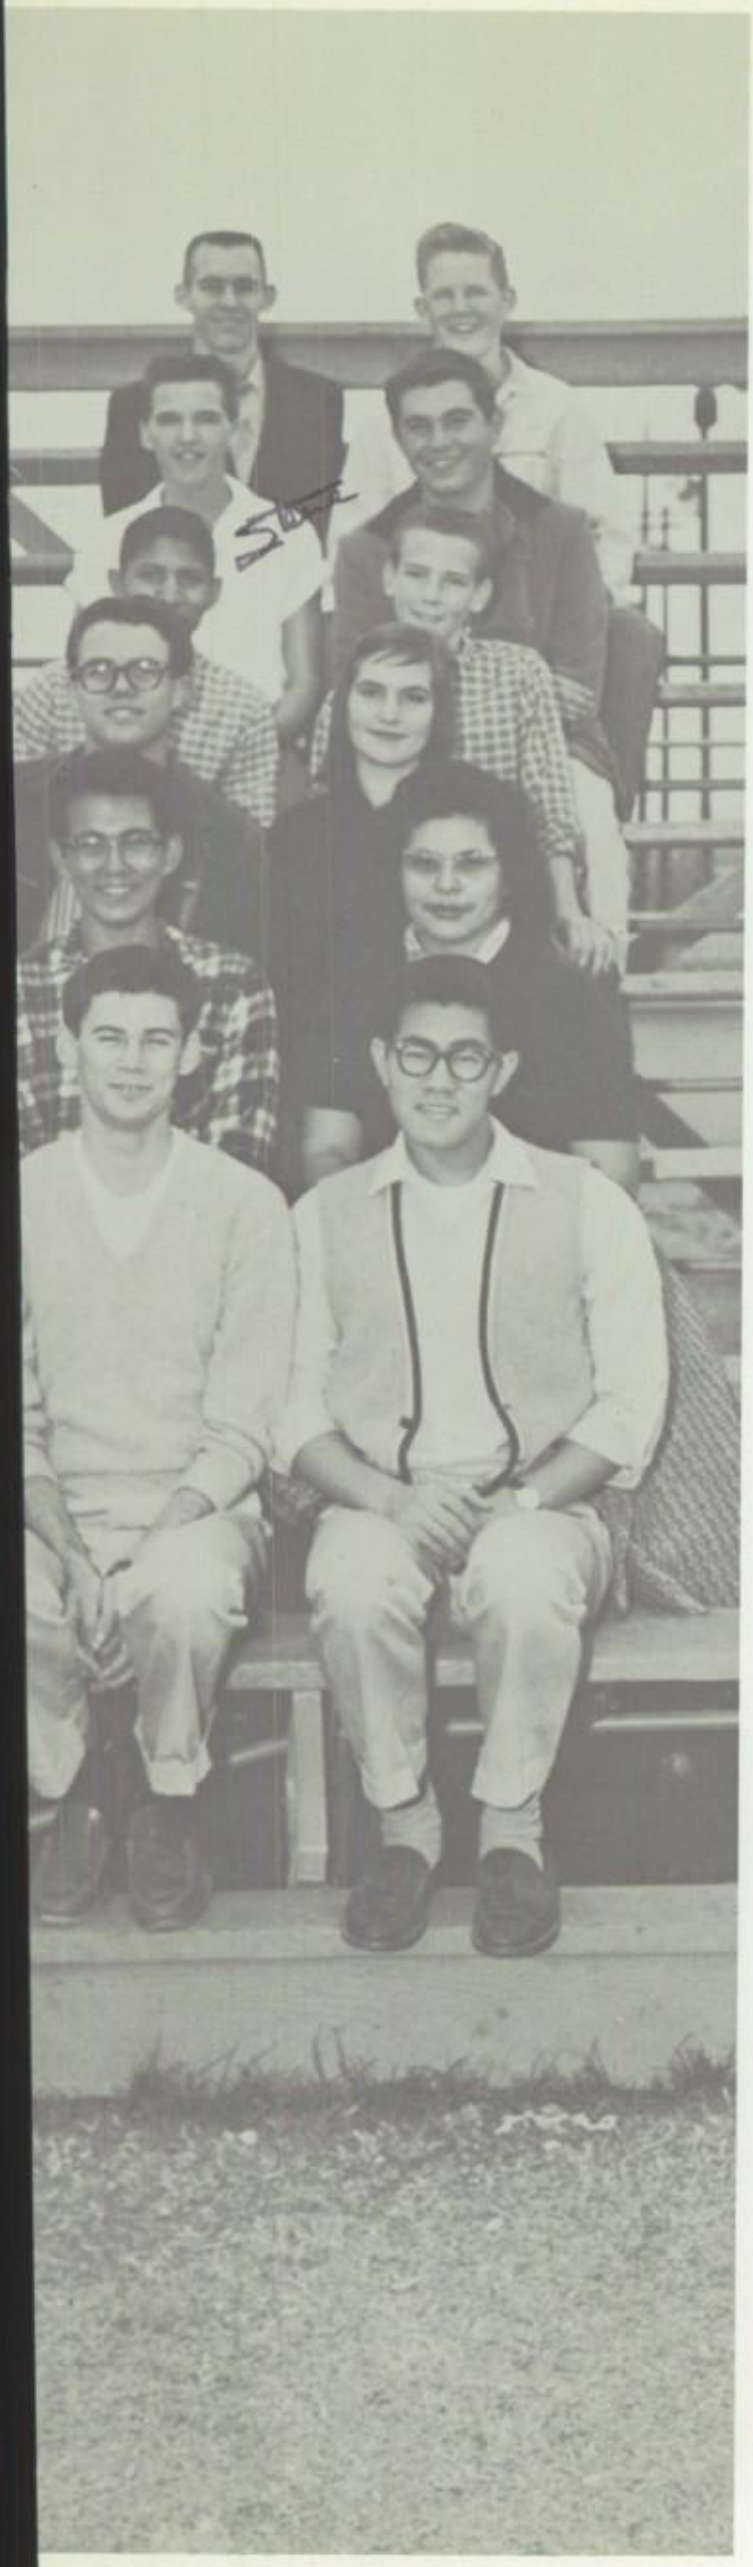
Organized to further interest in home economics, the Yuma Chapter of the **FUTURE HOMEMAKERS OF AMERICA** do just that! Especially interesting to every Crim were their cookie sales. Besides working on their individual projects, the girls also worked around the school and community. Perhaps you had your car cleaned at their car-wash. The organization's sponsors were Miss Narramore and Miss Dillavou. Officers for the year included: President, Mary Ellen Amavisca; Vice-President, Charlotte Fields; Secretary, Brenda Wood; and Treasurer, Margaret Smadel.

How many times did you feel a thrill of pride and excitement as you cheered during a pep rally? Weren't you proud to wave your pom-pon for our winning teams? Won't you always remember the hard work and fun that were part of the Pep Club Carnival? The traditional bon-fire rally will always live in our memories. We can thank our **PEP CLUB** for sponsoring all these and other spirit-filled projects. Hats off to the peppiest, most spirited gals in school. The sponsor is Miss Cook. Officers were: President, Sandra Neese; Vice-President, Donna Lawrence; Secretary, Carol Jongeward; and Treasurer, Patty Kenny.

Completing its second year as a member of the Crim club family is the **Z CLUB**, sponsored by the local Zonta Club. This organization is composed of ten girls of each class who are devoted to serving their school and city. The money earned by selling those cute beanies went toward their Christmas Food Project. A party at Christmas and a spring picnic enlivened the year. Miss Cashion is the sponsor. Officers heading the club were: President, Judi McDaniel; Vice-President, Margaret Smadel; Secretary, Carolyn Moore; and Treasurer, Shirley Spelce.

"I didn't know the gun was loaded!" It's a popular song—but not for the **RIFLE CLUB**. Under the watchful eye of their sponsor, they learn to use firearms safely, thus increasing the enjoyment that can be had from knowing how to do something well. At the time this was written, the club was having a little trouble finding officers, but the existing Secretary was Betsy Frith. Mr. Thomasson was the high school advisor.

Formerly the Fisherman's Club, the **OUTDOOR SPORTSMEN** have reorganized this year and are working harder than ever to increase their knowledge of life and fun in the out-of-doors. Their social events, a fishfry and hayride, supplemented the year's calendar which was filled with several excursions and outings. Their sponsors were Mr. Roberts and Mr. Holehan. Officers were: President, Mike Manes; Vice-President, Ronnie Guiles; and Secretary, Pat Connor.



For the **PHOTO CLUB**, sponsored by Mr. Braffett, the year was a "snap." Thanks to these hard-working shutterbugs, many of us have visible rememberances of many of the year's activities. They entered photographs in the County Fair and were well rewarded for their efforts. The club was led by: President, Peter Ng; Vice-President, Charles Van Every; and Secretary, Chonita Romo.

Their purpose being to help YUHS students obtain their amateur radio licenses, the **RADIO CLUB** kept busy by sponsoring code classes and also classes in theory. They again operated their amateur radio station at the Science-Math Fair. Miss Lahtinen is their sponsor and the officers are: President, Tim Stewart; Vice-President, James Edwards; Secretary, Terry Trigg.

Newly organized this year is the SPANISH NATIONAL HONOR SOCIETY. It is sponsored by the American Association of Teachers of Spanish and Portuguese and is made up of those students who have maintained a one average in the study of the language. In keeping with their purposes of recognition and promotion of interest, they very successfully competed in the Foreign Language Festival held in Tucson this year. Officers for their first year were: President, Lucille Espino; Vice-President, Mildred Bowman; Secretary, Kitty Podolsky; and Treasurer, Diana Janko. The sponsor was Miss Santa Ana.

Another of the "baby" clubs on campus FRENCH CLUB. It is made up of those stude rolled in French, offered for the first time th They wasted no time in beginning their a which are designed to promote interest in and its people. Foreign Language Week on was livened by numerous posters and pr Under the eyes of their sponsor, Mrs. Leon first year's officers were: President, Brenda Vice-President, David Kirkland; Secretary, Foley; and Treasurer, Bonnie Hosford.

These are those students who have had the honor of being chosen to head the work of their individual clubs. It's been a lot of work but fun too. They have gained valuable knowledge and experience as they have proved their leadership abilities.

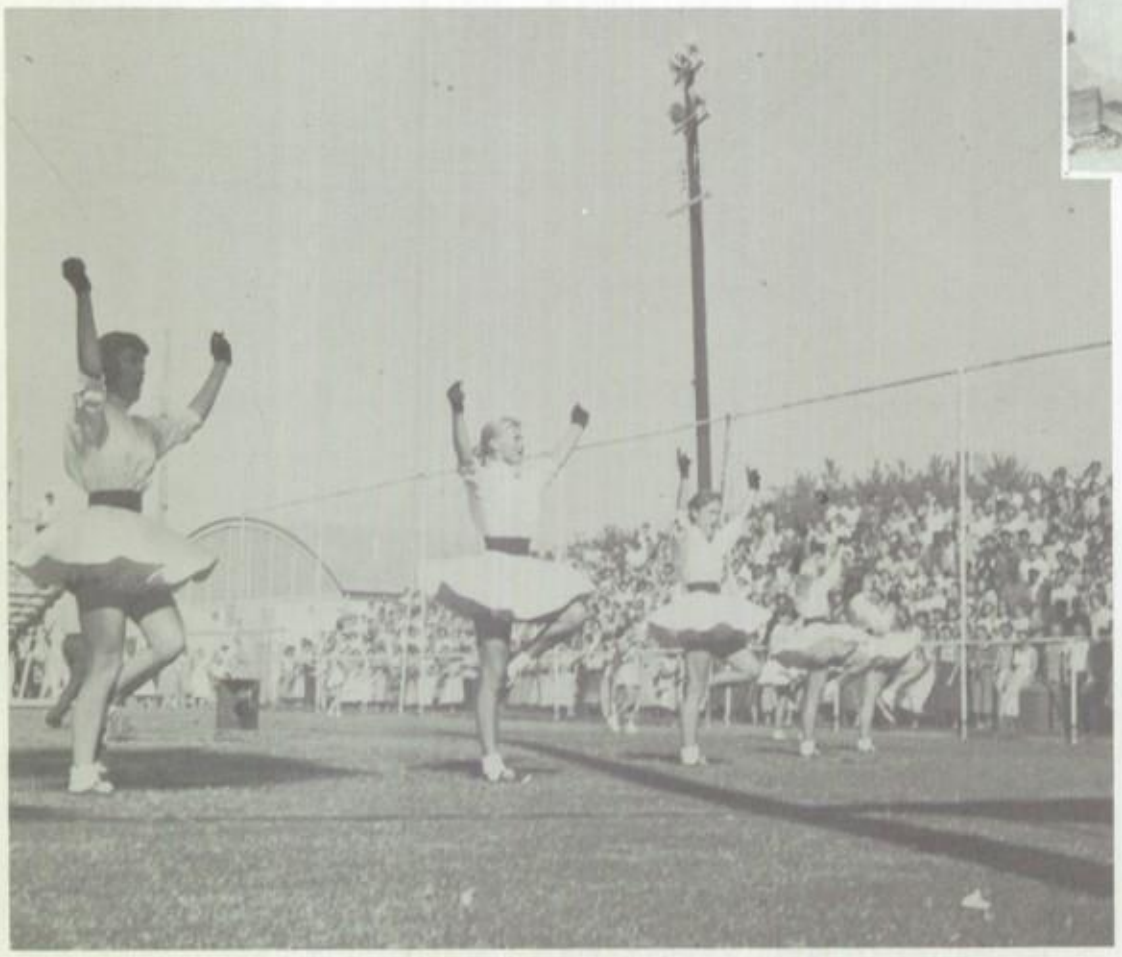
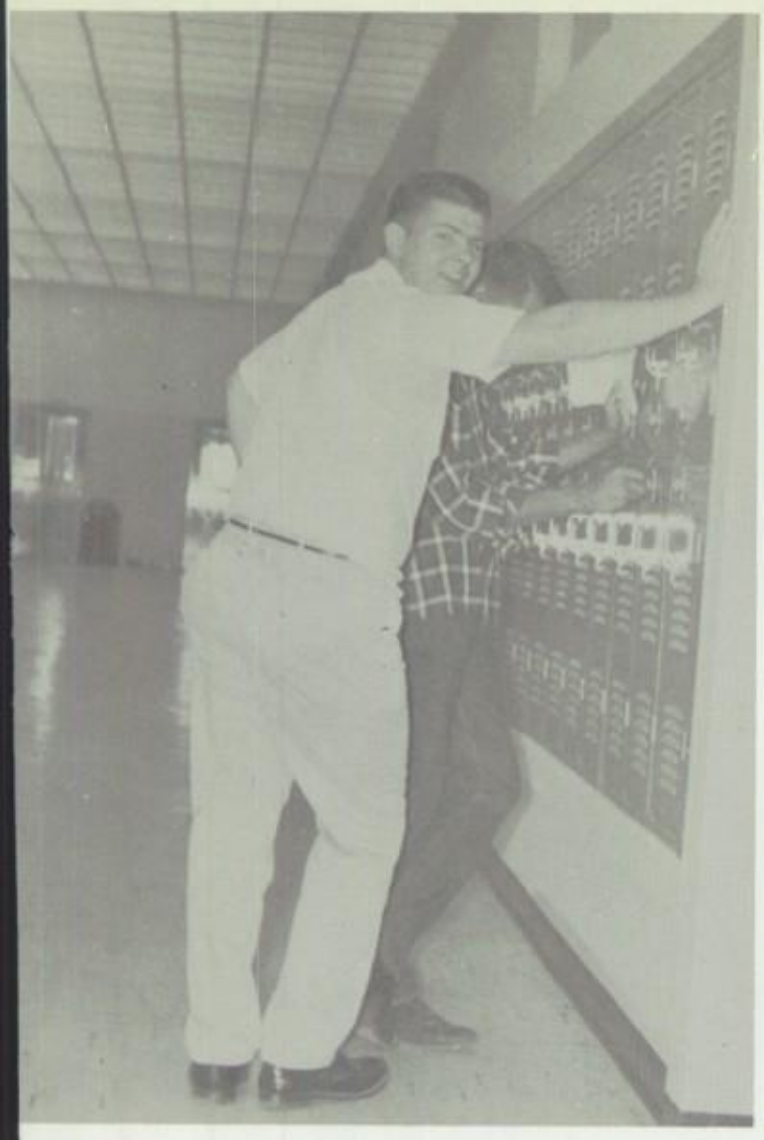
SEPTEMBER

Cries about the long lines and hot weather came from all the students waiting for lockers before the start of school. But it was good to be back.

Behind the scenes: because it is a symbol of our school the creation of the Crim head is done with utmost care.



At our first pep rally, spirit and hopes ran high and they stayed that way throughout the year.



Getting used to lockers and combinations is a part of coming back to school.

OCTOBER

This happy initiate is being welcomed into the Future Nurses Club by the sponsor, Mrs. Kettunen.

The peppy ones again! This time they are decoratin the goal posts before one of the football games.

The boy in the barrel is an example of the originality and ingenuity displayed by the band during their fine half-time activities this year.

Tests! Tests! Tests! These students are taking the Scholarship Qualifying Test with high hopes.

h, no! More bad luck! A short time after the completion of the new gym e floor buckled and a portion of it had to be relaid.

NOVEMBER

School spirit was high at the downtown pep rally on the day of days, Y-Day, when the Y-Day Queen and her attendants were crowned.

Jubilant after winning the Y-Day football game, excited and happy students tore down the goal-posts at the north end of the field.

Proud and happy, the Y-Day queen and her attendants reign over the victory dance after the game.

The Art Club held their informal initiation in smocks and berrets and plenty of paint.

Several recognition awards were given to hard work ing band members at the annual band banquet. Among these was the crowning of band sweetheart, Sandr Neese.

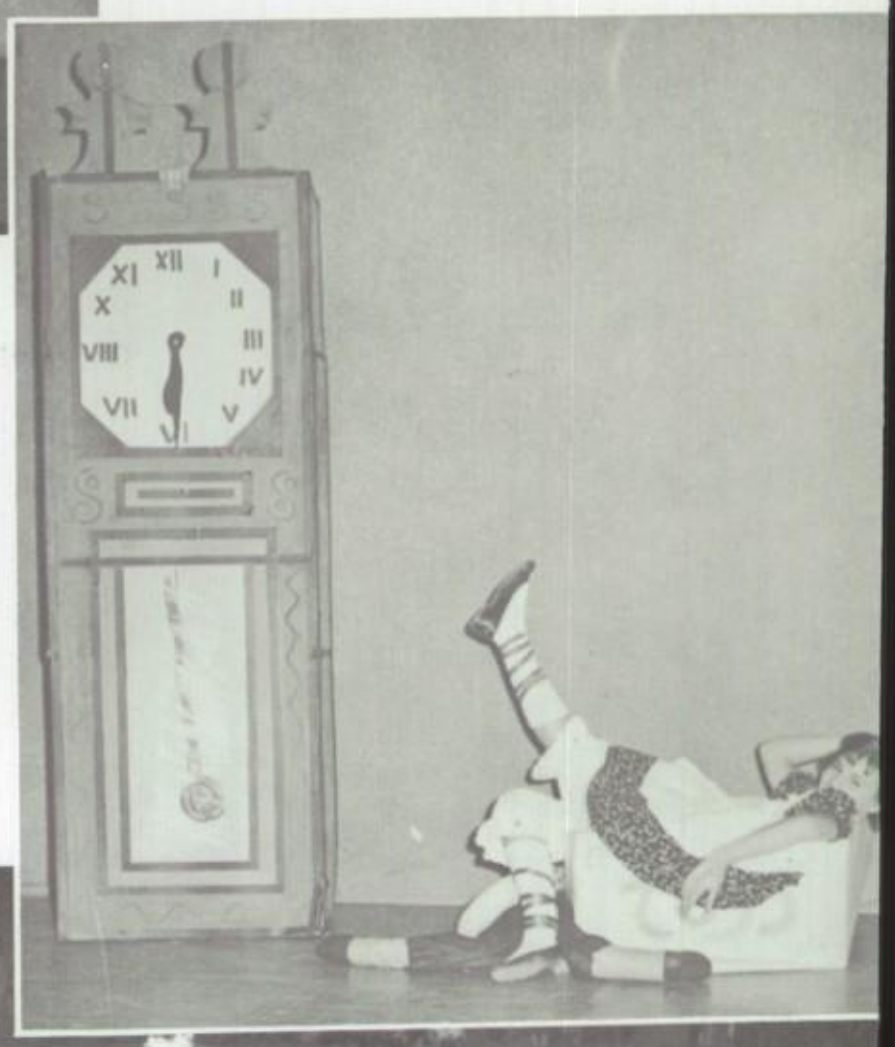
"Sorry, Wrong Number," whose student director was Mario Morgan, was presented by one of the drama classes as a planned noon time activity. The entire audience was kept in suspense while the play progressed to its startling climax.

The gaiety of Christmas helped make the Melody Club's annual Christmas dance, Sleighride Serenade, a big success. Intermission entertainment was provided by the Choralairs.

Are they fighting with garbage pail lids? I should. say not. Those are Roman Shields and this is just one of the types of entertainment show at the Latin Club Saturnalia.

JANUARY

This talented group of freshmen put on one of the best assemblies of the year. Their talent show will be remembered for a long time.



Raggedy Ann added charm and brightness to the Freshman Talent Show with her clever pantomime.

This year's Bonfire Rally, the largest in our history, was highlighted by several satirical skits. The most impressive moment of the evening was the lighting of the bonfire by the FFA Honor Guard.

This one-act play, "Ten Penny Tragedy," was another of the outstanding performances by Mr. Brennan's dramatics classes.

Many girls turned out for the cheerleading clinic this year, and while there, they were shown cheers, exercises and songleading routines.

MARCH

Eager to learn the cheers, the girls gathered around to watch the cheerleaders and songleaders demonstrate.

Since Beatniks were all the rage this year, the theme of Beaux Art Ball was the "French Quarter". The clever noontime skit presented by the Art Club influenced everyone to attend the dance.

Who are we going to yell for?

Barbara Bess

A little louder!!

Karen Giuntini

Real soft!

Mark — we'll be guess we're made the grade - seniors — well it's been a real ball as the cheerleaders. Good Luck always

Barbara Bann

A little louder!!

Matthew - You are more fun than any one I know. You have the nicest way about you. It just seems to attract friends. - I want to wish you the best. -

See you next year.

Judi Dora

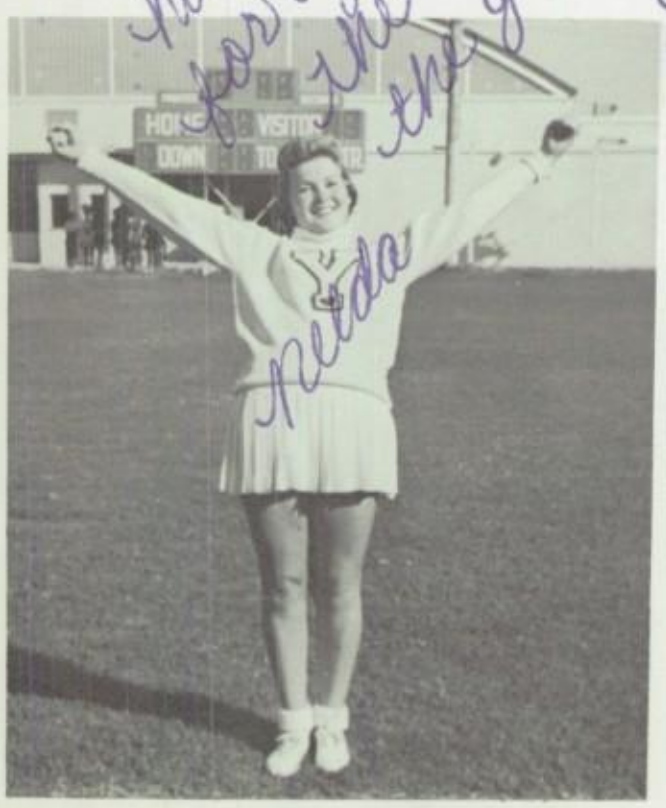
Real loud!!

Janet Malone

A little softer!

Matthew, you sure have done well for yourself this year. Keep up the good work.

Love, Nelda



Nelda Wright

Real loud!!

Spirit, pep and determination! These have been the key words of the entire student body this year. The cheerleaders have boosted these words to the very top. The spirit has improved tremendously. With the leadership of the peppy Crim cheerleaders the students have yelled their throats sore at many team victories. These girls have certainly worked hard and vigorously at many new yells and routines. They started practicing long before the start of school, and at the games and rallies they surely proved that their practice paid off. Hats off to our cheerleaders and their capable sponsor Miss Pauline Reed!

Melinda Lewis
Oh, we got a team!

Outstanding, enthusiastic, capable, and attractive; these are only a few words that describe this year's songleading crew. These ten girls have certainly done their part to keep the school spirit at its very highest peak this year. They perform at all athletic events and certainly add a lot of color to our halftime shows. Much fun has been had by all of the girls on the squad. They really had a "ball" in Tempe at the Songleading Clinic they attended in October. There were many things they learned about the art of songleading, and they also had fun exchanging songs with girls from other schools. These girls, with their fluffy petticoats certainly deserve much recognition for the hard work they have put in to perfect the performances they bring before the Student Body. Hats off also, to their very capable sponsor Miss Pauline Reed!

Head Coach Phil Krueger

Line Coach Marvin Rosengarten

End Coach John Schneider

VARSITY

Thanks to Coach Krueger's year-round physical fitness classes and the determination of the squad, Yuma acquired football players that were outstanding both offensively and defensively. The linemen opened huge holes for the Crim rushers, and quenched many opposing scoring drives.

Thinking linemen and the multiple threat of our backfield scored many a touchdown for the Criminals.

Coaches Phil Krueger, Marvin Rosengarten, and John Schneider are to be commended for their excellent job of producing a team to be proud of.

With an 8-2 record, one of the finest in the school's history, the team collected impressive victories over highly rated California schools. Coach Krueger introducing the vicious style used by teams in the Midwest, attained success after a disastrous first season try.

Among the teams' many laurels was a second place rating in the Class AA Southern Conference behind powerful Pueblo, and fourth place rated high school football team in the state.

Program Compliments

Besides being chosen co-captains for the 1958 football team, Alfred Madison and Jack Villa captured almost every offensive department. Al Madison, the outstanding quarterback, threw for 8 TD's and 482 yards while Jack Villa scored 78 points and gained 813 yards rushing. In addition, Jack was selected All-State back on the second team; and Al Madison received an honorable mention in the state football circles.

Yuma 27 Grossmont 6

Grossmont High Foothillers expecting an easy victory were upset by the rough and tough Crims, 27-6. Robles' magnificient 90 yard kickoff return stunned the opposition so that they never quite recovered. The Crims scored a total of three tallies in the first and fourth quarters. The defense of the Criminal team was equally responsible for the victory as they held the Foothillers to one touchdown and stopped many scoring drives.

Yuma 34 Amphitheater 0

Showing the greatest offensive and defensive power of the season, the rugged Crims pounded out a Class AA victory over Amphitheater. Racking up a tremendous amount of yardage with Jack Villa, Leroy Raebel, and Al Madison scoring, the Criminals played outstanding ball throughout the game. Yuma's mighty defensive unit crushed the Panther's forward movement time and again, as they held them to only 71 yards.

Yuma 26 Mt. Miguel 6

Picking up 252 yards against the Matadors who outweighed our Crim line men by some ten pounds, the Crims pounded Mt. Miguel for three touchdowns. Scoring were Vic Robles, Leroy Raebel, and Al Madison passing to Doug Stanley as the Criminals battled to their fourth straight victory. With the good comes some bad, and the bad was the fact that Crim halfback Vic Robles was sidelined for the remainder of the season because of a fractured rib.

Yuma 27 Pacific Hi 6

Two scoring pass plays executed expertly by Al Madison in the third quarter broke the game apart as the Crims overran the San Bernardino eleven. Other touchdowns came on line smashes by Leroy Raebel and Jack Villa. The Criminal defensive team played rugged football as they held Pacific High to 130 yards. Ernie Meedel kicked three PAT'S during the evening.

Yuma 20 Tucson 13

By coming from behind with seven minutes left to play, the Criminals proved themselves true champions by beating Tucson 20-13. Jack Villa, Crim halfback, scored all three touchdowns before the fans at the Old Pueblo. Middle guard Joe Penny played great defensive football for the Criminals as he turned in tackles which helped hold the Badgers intact throughout the second half.

YUMA 27 - OXNARD 13

After being partially baffled by Oxnard's single-wing offense, and with a score of 13-7 against them, the Crims bounced back during the second half of the game to score 20 points and hold the Yellowjackets to a minus two yards rushing. The cold weather and strong winds prevented the Crim passers from doing too much damage, but the outweighed Criminal line opened hugh holes for the strong Yuma rushing offense. The Criminal defense kept Oxnard's All-Staters in check. In the end Yuma went home with a well earned 27-13 victory.

Vic Robles on his way to a substantial gain.

YUMA 21 - KEARNEY 6

Largely through the efforts of Jack Villa and the brillant Crim defense, the Yuma gridiron battlers defeated a great Kearney team, 21-6. Jack Villa rolld up a record 222 yards running and scored two touchdowns. The Yuma pass defense kept the Kearney squad, which is known as a great passing team, from putting together touchdown scoring drives. The final Crim tally came on an Al Madison pass to end Doug Stanley.

JAY VEE BASKETBALL

Due to an unfortunate accident, the picture of the Jay Vee basketball team will not appear in this annual. The Jay Vee basketballers this year are: Al Lopez, Gary Wapler, Lupe Ramirez, Joe Ruiz, Bob Dennis, Gary Sweet, Bill Shook, Frank Palacio, Roy Rohrer, J. B. Shrader, and Bill Marty.

Coach Dave Inglis

Steady juniors and big, hustling sophomores, combined with Coach Dave Inglis' wide experience, turned out a squad of basketball players that wasn't to be surpassed by many opponents. This year's games gave necessary experience to many of the varsity-bound boys. The powerful Jay Vees overran many of their opposing teams by large scores which showed the team's great strength. The boys played with cool steadiness, and they all turned in fine individual and team performances in all of their tilts. No certain player can be singled out for outstanding play as they all worked for the team and its success. Joe Ruiz and Gary Wapler led the team in scoring, while Gary Wapler and Al Lopez were the big guns in rebound getting. The seasonal record of ten wins and five defeats was one of the best records that the Jay Vee squad has enjoyed in several years.

Coach Stephens' squad may be small in stature (not in number) and weak in the experience department, but the courage and determination of these boys overshadow any of their shortcomings. The twenty-seven man squad played strongly in all of their games and there were close exciting tilts. Some were even decided after the final buzzer had sounded.

Many outstanding basketball players were the products of Frosh cage squad, and Coach Sam Stephens should be proud of the way his willing charges strived for their own and the team's perfection.

CRIMINALS

This year Yuma had twelve experienced Crim basketballers; and when called upon, they could come off the bench and turn in a courageous and creditable job. The boys beat the wooden courts for many miles in practice as they worked for many hours to smooth their offensive and defensive tactics. After beginning the season slowly, the Crim Cagers stormed to a fine campaign record. Their record of 12 wins and 5 losses indicates the outstanding progress made this year.

Sophomore Charlie Primus and steady senior Sam Ezell carried many Crim victories, but the shorter and faster boys added the spirit and fire that was needed in the close exciting games which the Crims won. Al Reed, Al Madison, Mentoe Morrison, and Willie Carter, and all the other Crims combined to form a team that was one of the best teams to come out of YUHS in many years.

Coach Cliff Bryan is to be congratulated on his fine way of coaching the team. Although this is his second year in Yuma, he has elevated the Criminal Basketball team into a powerhouse. He has developed fully all the potentialities of each player on his team for the squad's improvement..

On the Crim athletic agenda during the spring and summer is track and field. Yuma had one of the strongest track squads in the state. There were many returning lettermen on this year's cinder squad who bolstered the team's chances for being state champs.

Even though Coach Bedillon and Coach Clay lost outstanding runners and field events men, they had many proteges who came into their own this year to fill the empty shoes more than adequately. Long hours of body building and working for their own improvement helped the individual tracksters in their search for success.

Coaches BeDillon and Clay worked all through the summer as hard as any of the boys as they passed on their wide experience to their charges.

Grunts and groans could be heard all through the grappling season as Coach Pat Patterson and his rugged charges strived for perfection. Capitalizing on the experienced veterans and the enthusiastic newcomers, Coach Patterson's team produced a fine seasonal record. A new gym with all the latest ideas and facilities made everyone's job much easier.

In nearly every weight division this year the outstanding starting wrestlers had fine wrestlers backing them up, making a strong balanced Crim squad. There were boys on the team who would be starters on any other varsity wrestling team but were overshadowed by the experienced veterans.

Steve Pope's return strengthened the squad and marked a story of courage and determination as he recovered from a near fatal hunting mishap a year ago.

In the State Wrestling Tournament held in Yuma for the first time, the Crims gave an impressive showing by placing second in the state tournament as a team. Steve Pope and Edward Gomez were state champs in their respective weight classes of 133 and 138. Senior Harold Alford finished second statewide after losing a heart breaking match on the officials decision.

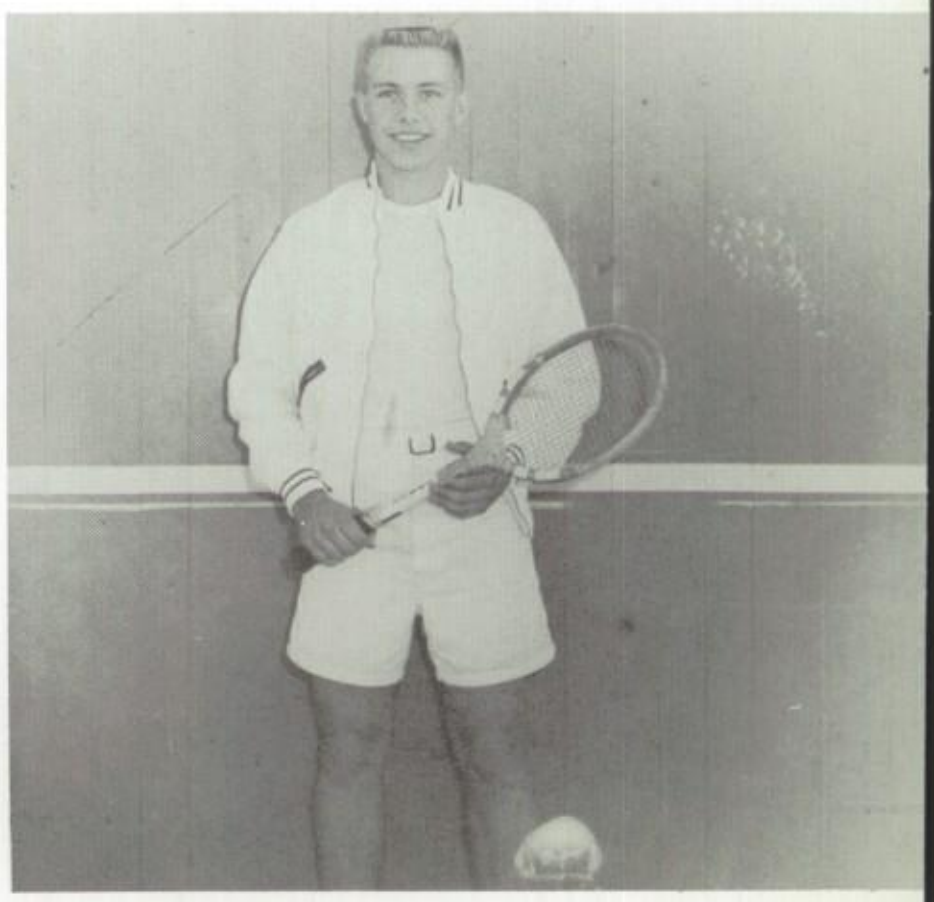
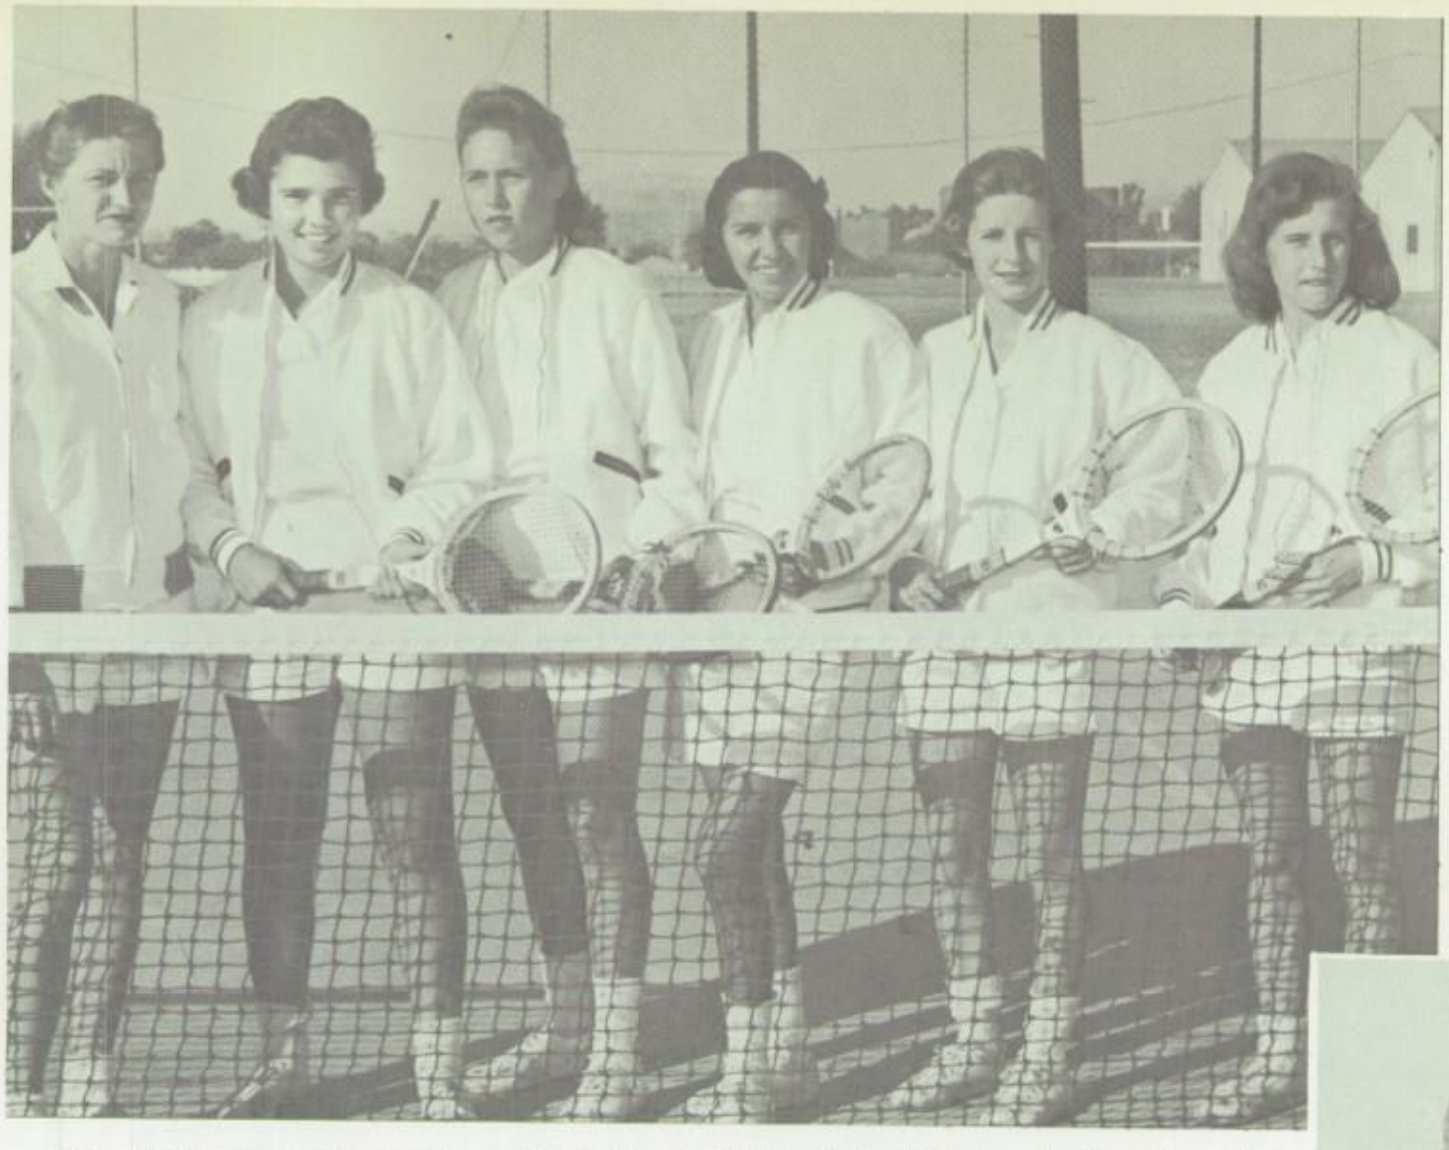
Coach Joe Sanchez



Strong in experience with not a senior in the crowd, the boys' tennis team is expected to have a good season this year. The racket squad with its well muscled, tanned boys practiced hard after school and on Saturdays to attain their peak of excellence. The top seven netters were led by Steve Copple with sophomore veterans Tommy Loo and Alan Hutchinson, and juniors Bob Braden and Ed Gideon providing the extra strength needed for victory.

With Senor Joe Sanchez as coach, the team swept through a tough schedule with Arizona's top net squads in fine shape this year.

NIS



The girls' tennis team consists of Coach Reed, Bobbie Kirkpatrick, Ina Leffler, Marcella Corona, Kirsten Fuller, and Audrey Fuller.

Coach Reed

Led by one of the top gal tennis players in the state, the Crim Girls' Tennis team turned in a fine seasonal record. Ina Leffler's powerful arm swung many contests in Yuma's favor with her wins in singles and doubles matches. Bobbie Kirkpatrick, Kirsten Fuller and Marcella Corona combined with the other girls to produce an outstanding squad.
Coach Pauline Reed guided the girls through the spring and summer net competition in fine style this year.

Two deep in every infield position, with big and fast boys in the outfield and a surprisingly strong pitching staff, the team combined their talents to give forth many wins.

YUHS's perennial favorite, Coach Bob Kelley, did a fine job this year in producing a crew of smooth fielding, accurate throwing, and hard hitting players.

Coach Dick Roberts

Gaining seasoning and game savvy was the goal of Coach Roberts and his charges. Some of the players were learning fundamentals while others were gaining smoothness and new advanced skills. The Jay Vee squad is a stepping stone for the Crim Varsity diamond nine, and no doubt some of the more outstanding baseballers will be playing "in the Big League" soon. Coach Dick Roberts is to be congratulated for techniquing a fine unit of baseball players. With his own personal experience he was able to give first hand information and examples to his players.

FREE ENTERPRISE

Means Better Times

The job you'll have—the place you'll work—the tools you'll use, are all the result of free enterprise at work. Free enterprise means continuing progress through keen competition. It means a better life; a more challenging future for you.

Business managed companies like Arizona Public Service are proud to be a part of this system; proud to take part in local activities; to pay their fair share of taxes; and to provide good service at a fair price. This is free enterprise at work—working for your future.

A FINAL THANK YOU FROM A CAREWORN EDITOR

All year I've been looking forward to writing this page because it is the last page in the annual. Now that the time has come, however, I find that I'm at a complete loss as to what to say. I am not sure that I'm glad that the EL SAGUARO is completed, because now my term as editor is over.

We've all done our best this year to bring you the "Fiftieth Anniversary edition of El Saguaro, and we hope that you like your book, and that you will remember it for years to come.

No one person can take the credit for as big a production as the El Saguaro. I had a very capable staff, and I would like for everyone to recognize them for their efforts.

Our advisor, MR. TOM CLARKIN, guided us over bumps and curves with his calm manner. He has helped me many times, not only with the annual, but with any other problems I have had. We of the El Saguaro Staff realize that without our friend and advisor, Mr. Clarkin, we couldn't have gotten along.

My very capable Associate Editor, WANDA BAILEY, saved the day for me many times. I thank her for giving up her time to help so willingly.

LOUISE COLBY, Business Manager, and JOYCE WHITE, her assistant, kept the wheels of the financial section turning smoothly. Thanks to them for many long hours spent keeping our finances straight.

Two "YUHS Lovelies", PAT GIERMANN and LINDA BARNETTE, broke new records selling advertising this year. Everyone loved to to have these two around, for they radiated freshness and enthusiasm.

Did you like the Crim head cover? LOUIS LEROY was responsible for this and most of the other art work. We're predicting big things for our favorite artist. BETTY PRATHER did a terrific job heading the Art Department, and her clever ideas helped us out of many a spot. LETA KREUTZER did fine work on her own, and provided moral support for the other artists.

Every annual staff should have a BARBARA BESS. When I discovered that she was a good worker, I didn't give her a moment's rest. I offer my heartfelt thanks to her for being such a willing and capable worker.

MARK ARNOLD, next year's Editor, doubled as Assistant Editor and Sports Editor. I have no doubts that next year's El Saguaro will be better than ever under his efficient direction. His assistant, MATTHEW WONG, besides doing a good job with sports, entertained us all year.

JEAN BAILEY and ELIZABETH ARRIOLA are responsible for the fine work on the Club Section. Jean also proved that she was an outstanding worker, more than once, by finding extra work to do after finishing her regular assignments.

ANN HARRELL, SHARON LOGAN, and MARTA NEWLON aided the staff by their eagerness to help, and by their contributions in the way of copy. We certainly couldn't have gotten along without these three.

JESSICA REISS took on a hard task when she started the Activities Section, but she came through in fine form.

Comedienne PENNY GANTT did all of our typing for us. It's too bad that every staff isn't able to have a typist that complains about not having enough to do! Thanks to Penny for "livening up the joint."

Every yearbook has to have photographs, and we certainly had some fine ones this year. CHONITA ROMO, LEWIS CAIN, KEITH MILAM, and the Photography Department put in much time, in school and out, to get their pictures for us. Mr. and Mrs. Earl Updike of UPDIKE STUDIOS made several trips from Phoenix for us. I thank them for their help and cooperation. BILL MESSENGER also took many pictures for us. Credit must be given to EMIL EGER for the beautiful Memoriam photo. We appreciate the use of this prize-winning picture. Many of our action shots are from the YUMA DAILY SUN.

JUAN MONTANO provided us with our copy of the 1909 El Saguaro. Mr. Milton Bean and ARIZONA YEARBOOK COMPANY published our book, and furnished needed technical assistance.

The administration has helped this year, more than ever before. I'd like to take this opportunity to thank them for their cooperation.

Last, but not least, thanks to you, the student body, for your patience with us when we had to retake pictures and collect payments. I've enjoyed every minute of this year, and I hope that I've done credit to my job as editor.

Sincerely,

Kathy Stratton

Matt,
Will smiling maybe we would have a class together long enough for me to read part of your mind.

PS Keep Smilin

Matthew,
Well I've enjoyed this summer having class with you this year. You're sure a good lab partner. You would do all the work. I know you'll go far in the world for you're your friend

Matthew –
The wit, the brain, the sport, the overall good person of Poole Sr. High and all on the 6th Sequence seventh period, we surely had a time. Yes did you did this year. Can't forget that day in the gym when I shot that foul shot! Three shots! Three shots! You really were great. Thanks for your friendship.
